ARMY CADETS ARE INSPECTED AT PEACHLAND

Youngsters Give Demonstration of Physical Training and Military Drill

PEACHLAND — The annual inspection of the Peachland Royal Canadian Army Cadets took place Monday, May 13, on the school grounds. Major W. J. Critchley, Vancouver, inspected the ranks of the company, and later took the salute during the march past. He remarked the cadets were the smartest outfit he had seen on his tour of the Valley. Company, platoon and section squad drill followed the inspection, and the band played suitable music. A military physical training display with August Clancome as instructor for the boys, and Bill Wilcox for the girls, was presented. Signalling, Morse, semaphore, lamp code and flags were used by the four groups. Taking part were Mildred Johnson, Margaret Long, Alan Thompson, Douglas Munro, Roy Bradley, Tom Carano, Virginia Carano, Don Newton, Bobby West, John Long, Joyce Crookes, Kay Cousins, Ruth Fulk, Della Munro, Beatrice Cousins, Ron Sundstrum, Noel Wilson, Jimmy Fraser, Agnes Wilson, Helen Kietzer, Wilson, Al Trautman, Gail Witt, Doris Trautman, Doris Knoblauch, and Clara Wilson. Morse lamp, Graham Gerrie, Tom Naka, Barbara Topham, Gerry Stump, oscillator, Ray Neil, Ellen Manning, Betty Manning, Douglas Shaw, knots and lashings, Gerry Stump, John Long, Tom Carano, Jimmy Fraser, Roy Bradley, Sten and Ben gun, Graham Gerrie, Tom Naka, Noel Wilson, Ray Neil, Don Newton, Al Trautman, Bob West.

Major Critchley stated he was pleased to be at the inspection and wished all the cadets had the same spirit of co-operation as the Peachland youngsters. He thought the show was excellent, and was pleased with it. Major Critchley said he was retiring but he hoped the cadets would give the same support and co-operation to Major E. Hoskins, D.S.O., his successor, who accompanied him. He congratulated them on getting their instruments and making a good start with their band in such a short time. He then presented proficiency badges in recreational shooting to R. Sundstrum, R. Redstone, T. Naka, G. Gerrie, and marksmen, G. Stump, J. Long, A. Trautman, B. West, R. Neil, D. Shaw. Sgt.-Major R. E. Cook also attended the inspection.

Officers of the Peachland company are: Acting Captain, P. C. Gerrie, Lt. H. Birkelund, Sgt.-Major R. Redstone, Sgts. G. Gerrie and T. Naka, Cpls. R. Neil, J. Long, Alan

To Visit City

MRS. LUCILLE de SATGE

Director of home nursing classes, which will be organized in the Okanagan and Kamloops districts by the local branches of the Canadian Red Cross Society. Accompanied by Mrs. W. S. Reeder, regional representative for the Okanagan, and Mrs. R. L. Johnstone, regional representative for the Central Interior, Mrs. de Satge is expected to arrive in Kelowna within the next week.

Education of mothers in home nursing stands high on the agenda of the Red Cross. Inexpensive training in time of war, it is equally necessary in times of peace when such knowledge is so necessary in every home, states Mrs. de Satge. She hopes to organize nursing classes in each of the following districts: Osoyoos, Oliver, Kelowna, Endersby, Salmon Arm, Kamloops, Clinton, Armstrong, Ashcroft, Vernon, Lac La Hache and Williams Lake.

and put in a lot of time. At the end of the inspection the band played the National Anthem.

The regular monthly meeting of the P.T.A. was held in the Municipal Hall Thursday of last week. Mrs. Geo. Topham, convener of the May 24 Sports Day committee, gave a report of what plans had been made. Mrs. G. W. Munro, Mrs. Neil Witt, K. Domi and A. Schultz also reported on different branches of the committee. It is hoped some of the members would be able to attend the border conference of the Washington and B.C. Parent-Teacher Association to be held on June 1. A handicraft exhibition will be held at the next meeting, and it is hoped any one having art or handicrafts will bring them to the meeting. Mrs. F. E. Wright, president, gave a report on the P.T.A. convention, which she had attended in Vancouver. The theme of the convention was "Keeping Faith with the Community." At the banquet, she said Dr. H. Cameron introduced Dr. G. M. Weir, Minister of Education, whose topic was "The Place of the P.T.F. Organization in the Educational System of B.C." Dr. Weir thought there would be more library facilities, radio, art, music, and general science in the schools and declared there should be an extension of compulsory school attendance to the age of 18 years, or at least part time instruction for those unable to attend all day classes. There was some opposition to the Cameron report, but he felt the were based on misunderstanding, and said it should be given a fair trial and amended to suit conditions. Rural P.T.A. should be first in adult education and family relations, and added there is too much indifference on the part of some people to marriage and home making.

The convention Wednesday morning was opened by the Tecumseh Boys' Choir singing three selections. The President, Mrs. C. W. Mellich, spoke briefly on "The State of the Organization." The per capita fee was set at 20 cents.

Mrs. William Kietzer, National Congress of Parents and Teachers, spoke on "The Importance of Parent-Teacher Work," of the spirit of goodwill between the two countries since the start of the movement in the U.S., and how it spread to this country, forming a solid link of friendship. She urged the P.T.F. to step up the V.D. campaign, and take vigorous steps to stamp out venereal disease and juvenile delinquency. Children try to act like adults, Mrs. Kietzer told the convention, in urging extension of work in every community.

The afternoon was taken up with program planning, and report of the committee on pre-school. This was the most important objective of the P.T.A. history, and after a two-hour discussion, a resolution was adopted in basic education was approved by the convention delegates. Introduction of sex education with existing courses in schools was urged. In supporting the High League of Canada fight against venereal disease, the convention also recommended blood tests for syphilis be made a routine procedure in all medical examinations of applicants for employment in industry. Curtailment and closer government supervision of many periodicals which have an alleged demoralizing effect on juveniles was urged by the hostesses, Mrs. K. Domi and Mrs. W. G. Munro.

A party was held at the home of Mrs. B. C. Gosnell for her daughter, Judy, who was one year old on Tuesday of last week. The guests were, Mrs. F. Topham, Jr., and daughter, Joan, Mrs. H. C. McNeill, an daughter, Frances, Mrs. C. Haker and son, Frankie, Mrs. J. Chapman and daughter, Marvin.

Mrs. L. B. Fulk entertained at the home of her daughter, Mrs. V. Cousins, Friday evening of last week. Making up the two tables of bridge were Mrs. A. Topham, C. O. Whinton, Mrs. Neil Evans, Mrs. L. Thompson, of Armstrong, Miss Annie Topham, Mrs. G. Topham, Mrs. H. M. Ibbotson, Mrs. M. Ferguson, Mrs. Evans won the first prize, the consolation going to Mrs. Whinton. A flower guessing contest was won by Mrs. Evans and Mrs. G. Topham. Dainty refreshments were served by the hostess.

New baseball suits for the baseball team were received last week. The suits are of white with green lettering.

Miss S. T. McKay returned home Thursday of last week after some months spent at the Coast.

Miss Catherine Long returned home last week to spend her vacation at the home of her parents, Mr. and Mrs. J. P. Long, after completing her first year at U.B.C.

Miss Madeleine Elkins left for a trip to the Coast, Tuesday of last week.

Mrs. L. Thompson of Armstrong, arrived Friday of last week to spend a few days at the home of Mr. and Mrs. N. Evans.

Mrs. M. F. Callies visited at the home of Mr. and Mrs. L. Trautman last week.

Mrs. Webster, of Kelowna, was an overnight guest at the home of Mr. and Mrs. C. Haker, Tuesday of last week.

Mrs. O. Wells left Saturday of last week to spend the week-end in Kelowna.

Mrs. Margaret Smith, of Vancouver, is a guest at the home of Miss M. Coldham.

C. C. Duquemin left Tuesday of last week for the Coast to attend the wedding of his daughter.

O. Duquemin left for the Coast Tuesday of last week.

Mrs. M. Haker arrived home on Thursday of last week.

Miss A. E. Elliott spent Tuesday of last week shopping in Kelowna.

Miss Rosemary Wilson arrived home from the Coast Sunday to spend her vacation at the home of her parents, Mr. and Mrs. J. H. Wilson.

Rev. Dr. A. D. MacKinnon left for the Coast Tuesday of last week and while there will attend the United Church conference.

The W.A. to the Legion held their monthly meeting in the Legion Hall, Wednesday afternoon of last week. Mrs. Geo. Topham reported that it was impossible at the moment to get floor covering, but Mrs. L. Fulk and Mrs. Topham are to "p on

trying, as the W.A. wish to get the new floor covered. Tea was served by the hostess, Mrs. C. H. Ingalls.

The monthly meeting of the W.C. T.U. was held at the home of Mrs. E. H. Pierce, Friday evening of last week.

In commenting on the effect the strike would have on the fruit crop, A. Pentland, manager of the Walters

packing house, said: "With prospects of a large stone fruit crop in sight, unless the strike is settled in the next few days, there is bound to be a large loss all over the Valley, and particularly in stone fruit area."

Tom Naka, pitching brilliantly for the Peachland school football team, held Westbank scoreless, while his mates went on to win the game by a score of 8-0, Monday, May 13.

That same day, the Peachland girls suffered defeat at the hands of the Westbank females, coming out in the short end of a 16-9 score.

In a return match on May 15, Peachland boys trounced Westbank school for a second time, 19-6. Westbank evened it all up that same day by taking the girls from Peachland to task.

High School, Senior Matriculation And Technical-Vocational Courses

By Correspondence

PROVINCIAL Department of Education Correspondence Courses are available to adults and school-age students in any of the following subjects:

English
Health
Social Studies
Mathematics
General Science
Latin
French
Spanish

HIGH SCHOOL

Art
Biology
Physics
Chemistry
Agriculture
Geography
Journalism
Home Economics

Bookkeeping
Business Arithmetic
Shorthand
Typewriting
Secretarial Practice
Business English
Bible Study

SENIOR MATRICULATION

English
World History
Algebra
Geometry

Trigonometry
Latin
French
Biology

Physics
Chemistry
Home Economics
Agriculture

TECHNICAL-VOCATIONAL

Mechanical Drawing
Practical Design—Its Basic Principles
Sheet-metal Work
Steam Engineering for Fourth, Third and Second Class Certificates
Mathematics for Steam Engineering
Meteorology and Weather-forecasting
Pilot Navigation
Commercial Pilot and Observer Navigation

Elementary Geology and Mineralogy
Metal-mining
Forestry
Commercial Art
Glove Making
Building Construction
House Painting and Decorating
Industrial Mathematics
Soils and Field Crops
Fruit Growing
Poultry Keeping

Courses under preparation are German A, Interior Decoration, and Theory of Music.

All courses are carefully prepared, and corrected by specialists in each subject. Each student receives individual instruction and progress will be measured by his own time and ability. Courses can be obtained any time, and promotion from grade to grade will be given any time of the year, on completion of the required work. In this manner, shortcomings of other students are eliminated. Success in these courses rely mainly on each individual's determination. Adults, too, find these courses particularly interesting. A High School education can be gained—an interesting and instructive hobby can be followed—special training can be acquired in work learned by experience.

A letter from one student of technical courses reads as follows:

"The work your Department is doing and the assistance you are giving to the practical men in industry like myself and others I know is something that is very deeply appreciated, and we sincerely extend our grateful thanks."

Students who live more than three miles from a High School pay only a registration fee of \$2.00 annually. Adult students and High School students pay a small tuition fee as well.

To register, write for application form and descriptive booklet to the:

High School Players Excel As "Pinafore" Proves Popular Hit

Gilbert and Sullivan Play Ambitious Undertaking—
John Sugars Gives Creditable Performance While
Bob Emslie Takes Vocal Honors—Don Jost
Plays Role of "Villain" in Capable Manner—
Capacity House Applaud Youthful Players

"H.M.S. PINAFORE" sailed away after a brief visit, but while in port, a packed house at the High School Auditorium on Friday night, May 17, were visibly impressed, when the crew and myriads of sisters, cousins and aunts of the "boss man of the Queen's Navy" showed that all's well that ends well, no matter how confusing or crazy the ending may be.

One of Gilbert and Sullivan's many excellent operettas, "H.M.S. Pinafore" was doubtless a very ambitious undertaking, especially for the Kelowna Junior and Senior High Schools, but in spite of the frightening magnitude of it all, director Miss J. Stokes took the helm, and mastered the ship through storm and calm, and brought into port a good exhibition of youthful talent in singing and acting.

A love theme dominated the action, and the unwinding of all the strands, cords about the young lovers produced the little drama called for by the authors of the operetta.

Josephine, daughter of the ship's commander, Captain Corcoran, was in love with Ralph Rackstraw, an ordinary crew member, and likewise he with her, but because of differences of social status, neither knew of the other's love, nor did they feel at ease to proclaim it to one another. To further complicate matters for the hero and heroine, the captain was exerting all pressure at his command to bring about a match more suitable socially, having in mind particularly the Rt. Hon. Sir Joseph Porter, K.C.B., self styled "ruler of the Queen's Navy".

Well, poor Josephine didn't know what to do, but Ralph, with the moral backing of all the crew except the wet blanket, Dick Deadeye, gathered up courage and told the girl of the torch that he was carrying. At first, reluctant to give in, love had its way, and the captain's daughter admitted that her heart belonged to him. They planned to wed that night.

Caught Eloping

Meanwhile, pompous and conceited Sir Joseph, having come aboard earlier with his ship load of female relations, was patting himself on the back for his apparent wooing success with Josephine.

Anyhow, that night, Dick Deadeye apprised the captain and the latter caught the two young people just as they were eloping. The old man let off a blast or two. Sir Joseph and company came around and he did more blasting himself, having Ralph arrested and sending the captain to his quarters.

Things looked bad. The Villain, if he can be called such, was in command of the situation. But fate, in the guise of Little Buttercup, revealed that as a result of mistakes several years before, when she was "baby farming" (or tending, to us laymen) the captain was not the captain but the crewman, and conversely, Ralph was the captain. Brought back by orders of the puffed chested Sir Joseph, Ralph was in the captain's uniform, and Josephine's father in the seaman's. Sir Joseph expressed definite disinterest in an ordinary seaman's daughter and accepted his cousin for betrothal. Ralph and Josephine were to be united and the ex-captain and Little Buttercup got together, to make a happy but confusing triple love ending.

Creditable Performance

John Sugars gave a creditable performance with voice and action of the proud Sir Joseph. Ralph Rackstraw's role was starry with ex-Navy Bob Emslie taking the vocal honors for the night. In acting too, he excelled. Valva Maxson, as Josephine, played the part commendably but her singing was weak at times. Rascally Dick Deadeye was the versatile Don Jost, who in addition to playing the part of the crooked tar, also played, when behind the scenes, his saxophone, joining in the orchestra.

Gary Robinson, as the captain, who was suddenly demoted to the bottom of the ladder, gave a fairly good portrayal. Helen Walrod admirably filled the shoes of Little Buttercup, who, it seemed, was popping up more than anyone else. Completing the cast of principals were: Col. Wood as Sir Joseph's Cousin Hebe, David Vereschak as the Boatswain and Michael Watt as the Midshipmate.

Sailor Crewmen

Playing the parts of the sailor crewmen were: Tony Tozer, Monty DeMara, Robert Kyle, Bruce Catcher, Roger Smith, Eddie Walker, John Wagner, Barrie Clarke, Billy Bennett, and guards were: John Kyle and Murray Haworth.

The many sisters, cousins and aunts of Sir Joseph were: Florence Brown, Audrey Brown, Caroline Hare, Donna Wilby, Beryl Ross, Bonnie Burke, Christina Malakoff, Dianne Wilcox, Doreen Graves, Jean Runcie, Pat Mackenzie, Norma Cruickshank and Eloise Ambrosi. Others, just as much responsible for the success or failure of any stage play, and their different capacities were: drama, G. C. Benmore and Miss B. Gillanders; stage manager, John Kyle; stage crew, John Fitzgerald, Ernie Baldeck, Murray Haworth, Kirk Franks, John Barlee, Gerry Tutt, Don Edwards; lighting, Ron Henderson; costumes, Miss J. Davis; make-up, Misses B. Gillanders and E. Barrie; ticket sales, Miss E. Walker and business manager, K. Vernon.

THE OLD SWITCHEROO

Frank Faylen, who won critical plaudits for his portrayal of the sadistic orderly in "The Last Weekend," finds himself behind the bar (no not bars) in Paramount's "Easy Come, Easy Go." In the latter film, which stars Eileen Fitzgerald, Sonya Tufts and Diana Lynn, Faylen plays a saloon keeper.

ALAN'S HAIR DYED

When blond Alan Ladd, who stars in Paramount's "Two Years Before the Mast," won his first big Hollywood role his hair was dyed black. He played the Raven in "This Gun for Hire."

Barry Fitzgerald, who plays a grape fancier in Paramount's "California," is allergic to the little fruit.

New Supervisor

HAROLD BRYNJOLFSSON

Who has been appointed supervisor of the Okanagan Unit of the Sun Life Assurance Company, succeeding Jack Kennedy, who has resigned due to ill health, A Great War II veteran, Mr. Brynjolfsson is one of British Columbia's outstanding golfers, having won the B.C. Amateur Championship in 1931. He was also a member of the British Columbia Willingdon Cup team. Prior to coming into the life insurance business, he was with the B.C. Electric Railway, Imperial Tobacco Company and W. H. Malkin & Co. Mr. Kennedy, who had recently retired, was instrumental in organizing the Okanagan and Kootenay when the Sun Life Assurance Company adopted the unit system in Canada 21 years ago.

AGE LIMITS LAID DOWN FOR RESERVE MEN

Brig. Plow Allots Regiment
Number of Tasks Which
Must be Carried Out

Personnel who join the 9th Reconnaissance Regiment (R.C.D.), which will be commanded by Col. Harry H. Angle, D.S.O., will have to come within the new age limits laid down by National Defence Headquarters, Brig. E. C. Plow, C.B.E., D.S.O., commander of Military District No. 11, stated during the course of a brief visit in Kelowna recently.

Brig. Plow, who made a tour of the entire Okanagan Valley, also held conferences with army officials at Kamloops, Vernon and Penticton. The chief object of his visit concerned the organization and accommodation of the Rocky Mountain Rangers and the 9th Recon Regiment. While conferring with Col. Angle, the army official discussed the training of the local regiment, along with equipment and personnel. He allotted the regiment a number of tasks which are to be carried out this summer, details of which will be announced later.

Accommodation also was discussed by the army head, and in view of the Okanagan and Kootenay when the Sun Life Assurance Company adopted the unit system in Canada 21 years ago.

of the fact a new armory will not be constructed until 1948, the present building will undergo minor repairs and renovations within the near future.

Brig. Plow was the guest of Col. Angle and Maj.-Gen. R. F. L. Keller and Mrs. Keller on a fishing trip to Woods Lake last Saturday. He arrived back in the city late in the afternoon and left immediately for Penticton.

Prior to his appointment of D.O.C., M.D. 11, Brig. Plow was Brigadier,

MISSION CREEK PUPILS CAPTURE SPORTS AWARDS

EAST KELOWNA—The pupils of East Kelowna School competed with students from three other schools in the Okanagan United Rural School District in a track meet held at Mission Creek School on Friday afternoon, May 17. Other schools participating in the event were Benvoulin, South Kelowna and Mission Creek.

The final count showed that Mission Creek took 21 first prize ribbons, six seconds, and three thirds, a total of 27 points. East Kelowna took two first prizes, ten seconds and seven thirds, a total of 33 points. South Kelowna walked off with three firsts, five seconds and nine thirds, a total of 29 points.

Benvoulin, which was second only to Mission Creek, took three first prizes, ten seconds and eight thirds, a total of 37 points.

East Kelowna school was at a slight disadvantage as it entered only grades 1 to 7, the eighth grade attending Mission Creek school due to the shortage of space in East Kelowna school.

The names of the East Kelowna winners and their events are as follows:

First prize pennants to David Ross for 50-yard dash, eight yards and under; and to Joan Dyson for the 100 yards open.

Those winning second prize ribbons were Tony Perry for the 40 yard dash 7 years and under; Connie Evans for the 50 yard dash 8 years and under; Harry Wells, 50 yard dash 10 years and under; Betty Elvedahl, 50 yard dash, 10 and under; Carol Evans, 50 yard dash, 12 and under; Joan Dyson, 50 yard dash, 14 years and under; Donald Dyson, 50 yard dash, 14 years and under.

Third prize winners were Mary Rehlinger for the 40 yard dash, seven years and under; Harlene Lutz, 50 yard dash, seven years and under; Gabriel Usselman, 50 yard dash, ten years and under; Tommy Harvie, 50 yard dash, twelve years and under; Donald Dyson, 100 yard open.

For the 13 years and under mixed 300 yard relay, Carol Evans and Joan Dyson took second prize.

Kon Uyeayama and Tommy Harvie took second prize in the boys mixed 300 yard relay.

Miss Thelma Clacica, student-teacher at Mission Creek school, was in charge of the refreshment counter, which sold apple juice and hot dogs.

A Women's Institute meeting was held in the East Kelowna Community Hall on Tuesday afternoon, May 14. Mrs. D. Evans was elected as a delegate to attend a Women's Institute conference to be held at Westbank in June. Several other members from this district plan to accompany Mrs. Evans.

A list of resolutions to be voted on at the forthcoming general conference in Vancouver were discussed.

During the latter part of the meeting, Mrs. L. Senger contributed several acrobatic solos. Tea was served by Mrs. R. Rogers and Mrs. E. A. Widmeyer.

Immediately following the meeting, a presentation was made from the members to Mrs. A. M. Thompson, whose wedding occurred recently.

The East Kelowna boys and girls football teams each played an exhibition game over the week-end, winning by a large margin. The boys game was played at South Kelowna on Sunday afternoon. The girls played a Rutland team on Monday evening at Rutland.

Miss Nora Perry arrived home Friday, where she will visit her parents until June 6, when she will return to Vancouver.

Howard Carter is a patient in the Kelowna General Hospital.

Miss K. Pittman is visiting at Vancouver.

Mrs. J. Ferguson is visiting at Trail at the home of her son-in-law and daughter, Mr. and Mrs. I. Price.

**OYAMA WOMEN
HOLD MEETING**

OYAMA—The regular meeting of St. Mary's Women's Auxiliary was held at the home of Mrs. Rimmer on May 16, with 12 members present. The vice-president, Mrs. Millard, was in the chair, in the absence of Mrs. Prickard.

Rev. A. R. Lett was sanctioned to buy necessary lumber and materials for the building of the Sunday school.

Mrs. Millard, who was delegate to the W. A. convention held in Kelowna on May 16-17 and 18, gave a report on her day spent there.

After the meeting there was a tea with tables set on the verandah and lawn at Mrs. Rimmer's home. The sum of \$9.00 was taken in.

The Women's Institute also had some plants and seedlings left over from the plant sale and they were on sale separately.

Mr. and Mrs. John Young had as their guests for a few days last week the latter's parents, Mr. and Mrs. C. J. Cooper, of New Westminster.

The first baseball game of the season played Tuesday, May 14, drew a very good crowd of spectators. Winfield won, the score being 6-2.

Mrs. A. A. Gallagher returned home on Friday last after spending a few days in Vancouver visiting her daughter, Pat, who is a patient in the Crippled Children's Hospital.

Lt. Doreen Cooper spent four days last week as the guest of Mr. and Mrs. Jas. Lowe on route to her home in Vancouver from the East.

Miss Barbara Prickard, R.N., is spending some time with her mother, Mrs. A. G. R. Prickard, at her home here.

Miss Stead, of Victoria, is the house guest of Mrs. A. G. R. Prickard.

Mrs. H. Millard, Mrs. A. R. Lett and Mrs. Bennett attended the W.A. convention held in Kelowna May 16, 17 and 18.

Mr. and Mrs. Harold Thomson are being congratulated on the birth of a daughter in the Vernon Jubilee Hospital on May 17.

Dr. T. H. Jagger, a veterinarian

TRUSTEES FIND SCHOOLS IN BAD SHAPE

Trustees of School District Make Tour of Inspection— Repairs Ordered

Travelling, even close to home, can be enlightening, the school board found out recently. Several members of the board of Kelowna School District No. 23 made an official tour of inspection, visiting schools close to the main highway, from Rutland to Oyama.

Most of the inspecting members apparently had a vague idea of what they were likely to see, but judging by the time spent on this subject alone, at the school board meeting Wednesday, May 16, they must have seen more than they bargained for. They were well aware beforehand that many repairs and improvements were needed up the line, and that these were being taken care of as soon as conditions would permit, but they did not realize how bad conditions had become, through reasons unknown or undisclosed, until they saw for themselves. Seeing was believing.

Some conditions at Ellison were described as "disgraceful." The state of affairs at some other schools were branded as "terrible" and a "discredit to the whole community."

Making sure that this "disgraceful" neglect would go no further, the properties committee, under trustee Bert McKim, was given the green signal to hire the necessary help, and with materials that are available, to go to work. Above all, they were instructed to put everything in good shape as quickly as possible.

Once this is done, janitors and maintenance men will be charged with the responsibility to ensure that such a "sight never occurs again."

ROOMING LICENCE

Valda M. Stewart, 131 Harvey Avenue, on Monday night was granted permission by the City Council to operate a five-room rooming house.

Mrs. Dunbar Heddle and Dick returned home last Thursday after spending two weeks in Vancouver as the guest of her sister, Mrs. W. Pringle. While at the Coast they visited Victoria for a few days with Mrs. W. Trail Heddle and daughters.

Bob Enderby returned home from Vancouver on Saturday last.

J. H. Holden, of Vancouver, is spending some time as the guest of Mr. and Mrs. T. H. Bowsher.

J. Craig returned home on Saturday last after a four-day business trip spent in Spokane and other southern points.

David Craig entertained a few of his young friends on the occasion of his birthday on Sunday, May 19. Mrs. Craig served tea on the lawn and the afternoon was taken up with games.

The death occurred on Friday morning at his home, "Hillsborough", of A. G. R. Prickard. He leaves to mourn his loss, his wife, Ethel, and a daughter, Barbara, a former marriage.

Sincere regret is felt by the people of Oyama at Mr. Prickard's passing as he was held in such high esteem and well beloved. Especially in St. Mary's Church will his loss be felt as he was a devoted church worker.

The Ladies' Aid of the Oyama United Church was re-organized on Wednesday afternoon, May 15. The following officers were elected: President, Mrs. W. Claridge; vice-president, Mrs. W. Carr; secretary, Mrs. S. Thorlakson; treasurer, Mrs. H. Somerset. Tea was served by Mrs. Claridge and Mrs. Thorlakson. Meetings will be held in the Church building on the third Wednesday of each month 2:30 to 4:30 p.m.

G. S. Dawe, of Vernon, conducted worship in the United Church on Sunday morning in the absence of Rev. J. A. Petrie. Mrs. Helen Savers, winner in the soprano class at the musical festival held in Pentiction recently, sang a solo, also a duet with Mrs. J. East. W. Phillips gave a violin solo and Mrs. Phillips was organist for the occasion.

WINFIELD

WINFIELD—Another Winfield boy returned home during the week. He is Pte. Raymond Miller of the Canadian Army. Ray has been stationed in Germany with the Occupation Army.

Winfield's baseball team travelled to Oyama on Tuesday, May 14, for the first game of the Twilight League. Winfield, who has Bob Murphy as their pitcher, took the game with a score of 6-4.

On Thursday, May 16, Rutland's team visited Winfield. The visitors won the game, the score being 6-1. Further games will be played every Tuesday and Thursday until the end of June.

Norman Steele, U.S.N., left last Monday for Seattle, where he will report for duty.

Geo. Elliot is a patient of the Kelowna General Hospital.

Mr. and Mrs. S. Miller are at present visiting at Vancouver.

Miss A. Helt spent the week-end visiting at Rutland.

Mr. and Mrs. A. Phillips left over the week-end for Vernon, where they will spend the summer months.

J. Hayes returned home this week from the Kelowna General Hospital.

Mrs. Thomas Lumsden has returned to her home in Vancouver after visiting with friends.

Sunday visitors at the home of Mr. and Mrs. S. C. Jones were Mr. and Mrs. C. E. Soller and son, Holce Soller, of the Bank of Montreal, Calgary, also Mr. and Mrs. R. Downie on two sons of Grindrod, Mrs. Sandgathe, of Granum, Alberta, and Mr. and Mrs. Don Jones and Keray, from Enderby.

Mr. and Mrs. E. Sherritt, accompanied by Mr. Gibbons, Sr., and Mrs. Cecil Gibbons, of Okanagan Centre, have left on a motor trip to Manitoba.

PENTICTON EKES OUT 6-5 WIN

There might be something in the saying that "it never rains but it pours". Kelowna received another setback at the hands of Pentiction on Sunday when they were nosed out in extra innings, 6-5, in scheduled game of the South Okanagan Baseball League.

With the loss of this game, played in Pentiction, Kelowna has fallen to 333 in the standing, with only one win-out of three tries.

The senior "B" aggregation matched hit for hit with the southerners, but were unable to regain their early lead which they lost in the

sixth. They did manage to tie it all up in the seventh, but it was Pentiction who pushed over the winning marker in frame No. ten.

Kelowna has the bye this coming Sunday and therefore will not play again until June 2, at Peachland.

No Appetite For Days? ARMY OFFICER YOU NEED MORE ARRIVES HOME LIVER BILE

Science says two pills daily, yet many get only one.

Liver bile helps digest your food and provides your body's natural laxative. Lack of bile causes loss of appetite, headaches, constipation, indigestion. For glowing health, take up your liver and get needed bile with proven Fruit-A-Tives, Canada's largest selling liver tablets. Made from fruits and herbs.

FRUIT-A-TIVES LIVER TABLETS

Lt.-Col. O. V. Maude-Hoxby, M.J.E., M.C., arrived in Kelowna last Friday from the Vancouver Military Hospital where he has been confined for the past two months since his return from Europe. At present he is on two months' sick leave pending discharge.

Col. Hoxby was in command of the Canadian Forestry Corps in Germany and after the unit was disbanded, he served as head of the British delegation to the four power forestry commission in Berlin until he was invalided back to Canada. The local army officer enlisted in July, 1940, and went overseas in June, 1941.

WESTBANK MAY CONSTRUCT NEW BATHING SHED

Suggest Building Fence Around Park to Prevent Cars Driving in

WESTBANK — The Westbank Memorial Committee met at the Community Hall on Tuesday, May 21st. The report of the park committee was given. It was decided a new bathing shed should be erected, and they could procure free posts to build a low fence around the Park to prevent cars driving over it. These two projects could be commenced any time, and it was decided to have a bee for one or two evenings, which will be notified in the near future.

The children's playground at the Community Hall was also discussed and a sum of \$250 was suggested as necessary for the erection of same. This was unanimously favored by the committee.

Approximately \$1,100.00 has been collected towards the \$3,500.00 objective.

Mrs. W. C. MacKay and family spent the week-end in Kelowna, the guests of Mrs. C. MacKay.

Miss Mary Rolke spent last week-end with her parents, Mr. and Mrs. Rolke.

Mr. and Mrs. C. D. Dobbin arrived home last Friday from their trip to the Coast.

Miss J. Springer, of Vancouver, was the guest of her mother, Mrs. C. A. Springer, last week.

Jack Springer has returned from Toronto and is the guest of his mother, Mrs. C. A. Springer.

Mr. and Mrs. Basham, of Burnaby, B.C., are the guests of Mr. and Mrs. John Basham.

David Basham has returned from a visit to the Coast.

A quiet funeral service, attended by the close relatives of baby Darrell Charles Albert Hoskins, was held in St. George's Anglican Church at 11:30 a.m. on May 14th. Interment was made in the Westbank Cemetery. Baby Darrell passed quietly away May 13th at the age of 5 days.

Mrs. Wm. Palmer, accompanied by Mrs. Cates, left last Thursday for Belle Plaine, Sask., for a two months visit.

Bill Palmer, who for the last six months has been employed in Morrow's General Store, left last Saturday for Kelowna, where he will be employed as a carpenter.

R. P. MacLean returned on Saturday from a business trip to the Coast.

SPEAKER FINDS PEOPLE LACK TOLERANCE

Fail to Convince Ourselves There is True Canadian Nationality

TRADE BOARD PARLEY

Evan McCormick Declares People Regard Themselves Canadians by Default

Declaring apologetically that the Canadian people regard themselves as Canadians more by default than by conviction, Evan McCormick, Montreal, field service manager of the Canadian Chamber of Commerce, addressed a general dinner meeting of the Kelowna Board of Trade, at the Royal Anne Hotel, Friday evening, May 10.

"It is regretful that we consider ourselves to be Canadians by default," Mr. McCormick said. "We are not British, and we are not American; therefore we say that we are just Canadians. We have convinced everyone else in the world that there is a true, individual Canadian nationality, but as yet, we have failed to convince ourselves."

The dinner was the concluding event of two days of activities, during which, the Canadian Chamber of Commerce was holding a Regional Conference of Boards of Trade from several points in the Interior, and the Association of the Boards of Trade of the North Okanagan and the Kelowna Board of Trade.

Earlier in the evening, special guest Air Vice-Marshal John Plant, C.B.E., Officer Commanding Western Air Command, who had flown to the city to review the local Air Cadet Corps, earlier in the day, spoke briefly. He stressed the urgent need for the Air Cadet League and the dependence of it upon the support of the Canadian people, at least until permanent peace is assured.

Make Sure of Peace

"Let first the United Nations make sure that peace is here to stay for all time, which they have been unable to do, so far—and when that has been accomplished, then let the cry ring out to disband our military forces and lessen our defence protection," he said.

Air Vice-Marshal Plant spoke highly of the work and purpose of the Air Cadet League, holding it to be a good youth movement, building up a spirit of competition and providing some sort of occupation in which they are interested. "There is no doubt that the boys of today are keenly interested in airplanes," he maintained.

With the Air Vice-Marshal was Group-Captain D. Bell-Irving, Squadron Leader E. G. Simonds, Liaison Officer between the C.O. and the Air Cadet League, E. V. Peerless, Secretary, Air Cadet League of B.C., and Flight Lieutenant K. Handley. Mr. McCormick's address came at the end of the evening session, and was the highlight of the evening. Mr. McCormick spends at least eight months of the year travelling across Canada in his official capacity with the Canadian Chamber of Commerce, and as a result, he thought he knew Canada very well and was in a position to speak authoritatively on the subject. In a humorous, descriptive and well-presented talk, he carried his listeners along with him, from the shores of the Atlantic to the evergreen playground of the Pacific Coast, hitting the high spots all the way.

He found the Canadians very much the same, basically, all across the Dominion, but what impressed him most was the lack of true tolerance on all sides, particularly the rift between those of French and English descent. "I am of British descent, and have lived most of my life in French Quebec. I have always found that the French are just as much Canadian as anyone else. To get this true picture, the testimony of the English speaking people of Quebec should be taken. A huge majority are in complete agreement about the Canadianism of the French," he disclosed.

W. T. L. Roadhouse, president of the Kelowna Board of Trade, thanked the Canadian Chamber of Commerce, and particularly Mr. McCormick, for a well organized conference, and for the valuable assistance given. He mentioned the 24-hour ferry service and the speeded up mail delivery, as improvements brought about by the Board, in conjunction with other bodies, since its last meeting.

E. W. Barton, who is retiring as secretary, to take on a new position as secretary-treasurer of the Kelowna School District No. 23, was lauded by the president and members for his many years of faithful service, and gave a short farewell address himself. Doug Disney was welcomed officially as the new secretary of the Board, succeeding Mr. Barton.

Mary Kay Dodson, who designed Joan Caulfield's gowns for Paramount's "Monsieur Beaucaire," which has a French locale, is from Paris—Texas.

LETTERS TO THE EDITOR

VIEWPOINT ON STRIKE

Kelowna, B.C., May 20, 1946. To the Editor, Kelowna Courier: In your issue of May 16th you gave a very full account of the strike called by the Woodworkers Union. My impression is that very little sympathy or publicity is shown or given to the views from the employees' standpoint.

Some time ago when Mr. Bruce Hutchison, columnist to the Vancouver Sun, expressed his views and the views expressed to him by growers in the Okanagan, you very ably came to the defence of the fruit growers' union and organization. Surely, Mr. Editor, you must grant that the fruit growers of the Okanagan, through co-operation, have improved their living conditions and the living conditions throughout the entire Okanagan Valley. This condition was brought about through the calling of a strike by the fruit growers in the Valley by that able citizen, the late Frank Delart. During that strike, growers in the Valley picked the roads, railway tracks and packinghouses and made dire threats of vengeance on any citizen who jeopardized the success of this strike.

You must recognize, Mr. Editor, that in the fruit growers' union a closed shop is recognized as well as a check-off. Monies are deducted in a compulsory manner towards the financing of the B.C.F.G.A. and the Tree Fruit Board.

To prove we have a closed shop, our union will not permit a packinghouse to ship a grower's fruit unless said grower has signed his union card. This is known as the closed shop in a workers' union. I note that in your editorial, "Wages and Price Increase," in the issue of your paper dated May 16th, you state that in a cross-country check made by the Bank of Canada covering a period from 1939 to 1944, the cost of living increased around 182 per cent; wages 44 per cent and farmers' income 157 per cent. Surely, if the Bank of Canada figures are correct, the cost of living figure of 182 per cent cannot be correct.

Citizens of Kelowna must recognize that during the five years previous to the war the average wage of the sawmill worker was from 20c to 40c per hour. If the Bank of Canada has given the Canadian public correct statistics when they state that the farmers' income has increased some 157 per cent, the worker is entitled to the increase he asks his union to procure for him. I think you will find that the fruit grower generally is in sympathy with his working brother. This being the case, then I sincerely trust the organizations representing the growers—the B.C.F.G.A., Tree Fruit Board and Tree Fruits Limited—will carry out the wishes of their mem-

NO DEAL

Sonny Tufts tried to buy "Mr. and Mrs. Smith," trained pigeons appearing in Paramount's "Cross My Heart," but Lionel Compton, owner, won't sell at any price.

bers and support the demands of the workers of Simpson's Sawmill for an increase in wages, a union shop and a 40-hour week.

Yours truly,
JOHN CORBETT CLARKE

OFF TO EARLY START

DERMA-VITE

Looking Ahead

with a new rat-killer... poison for poison ivy... summer for bees... and dynamite for ditches.

Rats are smart. They just won't eat anything that tastes as if it might be poison. Now man is going after them with a new chemical called ANTU, so potent that a milligram of a pound can kill a rat, and the rats don't seem to notice the taste.

Now we're set to give Poison Ivy and Poison Oak, so long a scourge to the unwary, a dose of their own medicine! They'll be poisoned with AMMATE, a new and powerful chemical poison that makes them wither up and die. One or two lbs. of AMMATE will clear a patch 100 square feet in area.

Remember CEL-O-GLASS... the flexible cellulose-acetate glass substitute which many farmers used before the war, to get egg-producing ultraviolet rays into their hen-houses? Well, it's coming back soon to civilian life, complete with a 5-year performance guarantee. CEL-O-GLASS not only brings in sun and keeps out cold. It eliminates breakage costs as well.

Someone might well coin the phrase, "a ditch in time saves nine men's time", or words to that effect, especially since ditching with dynamite has now become a science. Farmers, as well as explosives engineers, are putting explosives to work in this way more and more. And in doing it they save labour, time and expense.

Further information on any of these products is obtainable by writing "Looking Ahead", C-1-L, P.O. Box 10, Montreal, P.Q.

RUTLAND FRUIT GROWERS NAME FRUIT DELEGATE

RUTLAND The B.C. Fruit Board's annual meeting of growers of the Rutland district was held in the Community Hall on Tuesday evening, May 14th. The attendance of growers was relatively small, due in part to conflicting meetings, and to the start of the busy season. A. W. Gray was elected chairman of the meeting and B. Chichester, secretary.

The main business of the evening was the choice of a delegate to attend the nominating convention and to act as Rutland director for the B.C.F.G.A. H. G. Walburn was re-appointed to this position by acclamation, for a third term. George Barrat, of Kelowna, chairman of the Fruit Board, spoke on some of the

problems facing the growers' organizations in the immediate future, dealing particularly with the plans for processing plants and the necessity of having the "five year average" basis upon which fruit prices are paid to the grower, as based on A. C. Lander, Assistant Sales Manager of the Fruit Board, who was also present and outlined the details of the "five year average" plan evolved during the past season. Both speakers answered a number of questions on a variety of subjects.

At the close of their addresses a vote of thanks was extended to them by growers present. The meeting then proceeded to re-convene as the regular monthly B.C.F.G.A. session and minutes of the previous meeting and correspondence were dealt with. The committee in charge of the erecting of a community signboard reported that their job had been completed at a total cost of \$100.00.

The chairman read a letter from J. H. Horn, chairman of the Kelowna Aviation Council, advising the Rutland district committee that they had no further interest in the Rutland field and stating that the matter of disposition of the equity in the Rutland field was being left up to the Board of Trade.

The conference called by the Canadian Chamber, with field service men in charge, was in line with other conferences across Canada, the purposes of which were to advance proven suggestions on organization, increase effectiveness of their appointed tasks, and spur all boards to the goal toward which their community needs beckoned.

A discussion regarding the annual picnic at the Summerland Experimental Station in the secretary being instructed to write to the local Women's Institute suggesting a joint picnic, with the B.C.F.G.A. local looking after transportation, and the W.I. attending to the refreshments.

TRADE BOARD MEMBERS HEAR MANY SPEAKERS

Delegates Told They Represent Business Point of View Throughout Dominion

SERVE COMMUNITIES
Indicate P.F.R.A. May Be Extended to Other Parts of Canada

Delegates from boards of trade from every part of the Okanagan, from the Mainline and from Lillooet, came to Kelowna for the two-day regional conference, sponsored by the Canadian Chamber of Commerce. They left in a happier frame of mind, with a feeling of self-contentment that they had accomplished something, and were refreshed in the thought that they were the "conscience and will of the community" they represented.

The conference called by the Canadian Chamber, with field service men in charge, was in line with other conferences across Canada, the purposes of which were to advance proven suggestions on organization, increase effectiveness of their appointed tasks, and spur all boards to the goal toward which their community needs beckoned.

"Boards of Trade must be strong and active in serving their communities," said Evan McCormick, Montreal, field service manager of the C.C. of C. "You are the conscience to know and appreciate the needs and faults of your community and the will to fill these needs and overcome these difficulties by your efforts and initiative."

His organization, Mr. McCormick went on, is the national federation of 200 boards of trade across the Dominion, and as such, it represents the business point of view to the Federal Government, and services its member boards, who determine the policy of the parent body.

What impressed the visiting delegates mostly was the efficient organization of the conference from start to finish, the friendly co-operative manner in which it was conducted, and the valuable information obtained in the lectures and the open forum discussions. Principal lecturers were, in addition to Mr. McCormick, H. A. Purdy, field service dept., Toronto, who with Mr. McCormick was largely responsible for the efficient planning and execution of the party; E. D. McGreer, secretary, Calgary Board of Trade, and William Rundle, manager of the Transportation Bureau, Vancouver Board of Trade.

Irrigation Problems
Relief for British Columbia's irrigation problems was foreseen, participants of the open forum discussion were told at the Aquatic Lounge on Thursday afternoon. The sore need for financial and other assistance for irrigation purposes, was the most urgent matter on the agenda, as determined by the representatives themselves.

Indicating that there is a good possibility that the Prairie Farm Rehabilitation Act will be extended to the rest of Canada, Mr. McCormick said that the benefits of the act were working wonders on the prairies, which were the services of trained and experienced engineers on irrigation projects. Support for this cause could be obtained from the Canadian Chamber, by forwarding their resolution to that body, he added. All the help at its disposal could also be given to furthering rural power and electrification.

Methods of increasing the revenue of each Board, rehabilitation, housing, mosquito control and radio interference were all dealt with in the informative open forum. Regarding the establishment of new industry, a subject also brought up by one of the Boards, the conference learned that, as a whole, western people were not yet ready to invest their own money in their own initiated industry, which, even

though the business is small, is better than bringing in new industries from outside.

At a dinner at the Royal Anne Hotel, Mr. Rundle, of Vancouver, addressed the delegates on "Transportation." "We have much to look forward to as far as roads are concerned," he said. "Your new Minister of Public Works, the Hon. L. C. Carson, whom I know personally, is a hard working man, and a keen believer in good roads. You may rest assured that he will do his best to bring about permanent improvement. The Hope-Princeton Highway will be a job well done. The department also intends to straighten out all highways and remove the bottlenecks. We will be able to be proud of our roads in a few years."

Check Airmail
The railroads, he said, did a lot better job than most people realize, particularly during the pressing period of the war, when 90% of all traffic was handled by the railroads. The fact that Canada had the first three-cent airmail in the Mackenzie Basin was something to talk about, and was indicative of the tremendous strides being made by aviation today. Canada is building its own planes for use in this country, he said.

Recommending that if a proper job is done, the United States method of hiring a full-time secretary should be adopted, and admonishing that in the field of human relations, all criticism should be avoided, Eric McGreer wound up the conference with an address at the concluding luncheon, Friday noon, at the Royal Anne Hotel.

THE CORPORATION OF THE DISTRICT OF GLENMORE BY-LAW NO. 113

A by-law to authorize extensions and additions to the existing waterworks of the municipality, and the raising of the sum of Sixty Thousand Dollars (\$60,000.00) for the purpose of paying therefor.

Whereas it is deemed advisable to construct extensions and additions to the domestic water system;

And whereas for the purpose of paying for the said extensions and additions it is necessary to raise by way of loan upon the credit of The Corporation of the District of Glenmore the sum of Sixty Thousand Dollars (\$60,000.00) which is the amount of the debt this by-law is intended to create, secured and repayable as hereinafter set forth, the principal sum of such loan, when raised, to be applied for the purpose aforesaid; And whereas it will be necessary to raise during the currency of the said debt for repayment of the principal sum and for payment of interest at the rate of Three per centum (3%) per annum in the respective years the amounts as follows:—

Year	Principal	Interest	Total
1947	\$1,000.00	\$1,800.00	\$2,800.00
1948	2,000.00	1,770.00	3,770.00
1949	2,000.00	1,740.00	3,740.00
1950	2,000.00	1,710.00	3,710.00
1951	2,000.00	1,680.00	3,680.00
1952	3,000.00	1,530.00	4,530.00
1953	3,000.00	1,440.00	4,440.00
1954	3,000.00	1,350.00	4,350.00
1955	3,000.00	1,260.00	4,260.00
1956	3,000.00	1,170.00	4,170.00
1957	3,000.00	1,080.00	4,080.00
1958	3,000.00	990.00	3,990.00
1959	3,000.00	900.00	3,900.00
1960	3,000.00	810.00	3,810.00
1961	4,000.00	720.00	4,720.00
1962	4,000.00	600.00	4,600.00
1963	4,000.00	480.00	4,480.00
1964	4,000.00	360.00	4,360.00
1965	4,000.00	240.00	4,240.00
1966	4,000.00	120.00	4,120.00

And whereas the amount of the whole assessed value of land and improvements of the said Corporation according to the last revised assessment roll, being the assessment roll for the year 1946 is Three hundred Forty-six thousand Nine hundred Thirty Dollars (\$346,930.00); And whereas a provisional certificate of approval has been received from the Secretary of the Provincial Board of Health.

Therefore be it enacted by the Council of The Corporation of the District of Glenmore as follows:

1. The Council of The Corporation of the District of Glenmore is hereby authorized to construct extensions and additions to the domestic water system.

2. It shall be lawful for the Council of the said Corporation to raise, by way of loan, on the credit of the said Corporation, secured by debentures as hereinafter mentioned, and from any person or persons, body or bodies corporate who or which may be willing to advance the same on such security, the sum of Sixty thousand Dollars (\$60,000.00) and to cause all such sums so raised and received to be paid to The Corporation of the District of Glenmore for the purposes hereinbefore recited.

3. The said debentures shall be issued in sums of not less than One hundred Dollars (\$100.00) each and shall be sealed with the seal of The Corporation of the District of Glenmore and shall be signed by the Reeve and countersigned by the Treasurer of the said Corporation.

4. The said debentures shall bear date the 2nd day of July, 1946, and shall be expressed to be and shall be payable in lawful money of Canada at The Royal Bank of Canada in Kelowna, British Columbia, as follows:—One thousand Dollars (\$1,000.00) on the 2nd day of July, 1947; Two thousand Dollars (\$2,000.00) on the 2nd day of July in each of the years 1948, 1949, 1950 and 1951; Three thousand Dollars (\$3,000.00) on the 2nd day of July in each of the years 1952, 1953, 1954, 1955, 1956, 1957, 1958, 1959 and 1960; Four thousand Dollars (\$4,000.00) on the 2nd day of July in each of the years 1961, 1962, 1963, 1964, 1965 and 1966.

5. The said debentures shall bear interest at the rate of Three per centum (3%) per annum and shall have coupons attached for the payment of interest at the said rate on the amount of such debentures, and such interest shall be payable on the 2nd day of January and the 2nd day of July in each and every year to maturity at The Royal Bank of Canada in Kelowna, British Columbia. The said coupons shall be signed by the Reeve and Treasurer of the Corporation and the signatures thereto may be either stamped, written, printed or lithographed.

6. There shall be levied and raised during the currency of the said debentures by rate sufficient therefor over and above all other rates on all the rateable land or land and improvements within the municipality for the payment of the debt and for the payment of the interest in the respective years the amounts as follows:—

Year	Principal	Interest	Total
1947	\$1,000.00	\$1,800.00	\$2,800.00
1948	2,000.00	1,770.00	3,770.00
1949	2,000.00	1,740.00	3,740.00
1950	2,000.00	1,710.00	3,710.00
1951	2,000.00	1,680.00	3,680.00
1952	3,000.00	1,530.00	4,530.00
1953	3,000.00	1,440.00	4,440.00
1954	3,000.00	1,350.00	4,350.00
1955	3,000.00	1,260.00	4,260.00
1956	3,000.00	1,170.00	4,170.00
1957	3,000.00	1,080.00	4,080.00
1958	3,000.00	990.00	3,990.00
1959	3,000.00	900.00	3,900.00
1960	3,000.00	810.00	3,810.00
1961	4,000.00	720.00	4,720.00
1962	4,000.00	600.00	4,600.00
1963	4,000.00	480.00	4,480.00
1964	4,000.00	360.00	4,360.00
1965	4,000.00	240.00	4,240.00
1966	4,000.00	120.00	4,120.00

7. It shall be lawful for The Corporation of the District of Glenmore from time to time to repurchase any of the said debentures at such price or prices as may be agreed upon and no re-issue of any such debenture or debentures shall be made following such repurchase.

8. This by-law may be cited for all purposes as "The Waterworks Loan By-Law, 1946."

Read a first time by the Municipal Council the 15th day of April, 1946.
Read a second time by the Municipal Council the 15th day of April, 1946.
Read a third time by the Municipal Council the 14th day of May, 1946.
Received the assent of the electors of The Corporation of the District of Glenmore on the day of 1946.
Reconsidered, finally passed and adopted by the Municipal Council of The Corporation of the District of Glenmore this day of 1946.
Reeve. Clerk.

Take notice that the above is a true copy of the proposed By-Law on which the vote of the Municipality will be taken at the Irrigation Bldg., Glenmore, on Monday, the 27th day of May, 1946, between the hours of 8 a.m. and 8 p.m.

R. W. CORNER,
Clerk of the Municipality of The Corporation of the District of Glenmore.

AGRICULTURAL HEADS DEMAND END OF STRIKE

Telegraph Wires in Okanagan Hum as Government Warned of Growing Danger

NO BOXES

Mills Will Have to Operate at Full Capacity Now to Meet Box Demand

Telegraph wires in the Okanagan have been humming for the past week, as officials of the agricultural industry have been making every effort in getting the mills operating again. P. E. French, president of the B.C. Federation of Agriculture and A. G. Desbrisay, president of the B.C. Fruit Growers' Association, sent lengthy telegrams to all government departments, and various M.L.A.'s, pointing out the fact that the livelihood of 40,000 people in the fruit growing industry areas will be imperilled, as well as the harvest of the fruit crop unless a settlement between the woodworkers and mill operators is made immediately.

The telegram sent by Mr. French to government, labor and agricultural officials reads as follows: "Unless manufacture of berry crates, processing barrels, egg cases, and vegetable crates is renewed immediately, heavy losses to growers, processors, distributors and employees in these departments inevitable. Harvesting of berries starts in about fortnight and if containers are not ready, large part of heavy and valuable berry crop will be left in fields to rot. Not only domestic fresh market supplies affected but export of processed berries for Britain. Eggs for Britain from Fraser Valley affected and also vegetables from Fraser Valley, Vancouver Island and the Interior. Urge your interest and assistance towards settlement ensuring resumption mills and woods operations. Tree fruits crop of record proportions from Kamloops through Okanagan and east to Creston in prospect and every day mills are idle means loss of boxes that cannot be made up during balance of season. Our federation confirms and supports vigorously representations of B.C. Coast Growers' Association, Pacific Coast Poultry Producers' Association and British Columbia Fruit Growers' Association. Our Federation would value message from you regarding this crisis."

REQUEST MORE FITTING CITY STREET NAME

East is east, and west is west, but the people living on North Street in the south end of the city want a more appropriate name for their street.

At the City Council meeting held on Monday night, City Fathers received a letter from a resident asking the name of the street to be changed. Aldermen were a little vague as to how the name of the street originated, but indicated that if the residents want a new name, they will have to take the same action as people in the north end of town when they changed the name of the street to Manhattan Drive.

At that time a petition was circulated, and it was signed by at least two-thirds of the people living on the street.

PHONE REQUEST

Request from Edward Blackly to build a garage at the rear of a lot which he would live in until his house is completed, will be investigated by Alderman Sam Miller, it was ruled at the Council meeting on Monday night.

Valley affected and also vegetables from Fraser Valley, Vancouver Island and the Interior. Urge your interest and assistance towards settlement ensuring resumption mills and woods operations. Tree fruits crop of record proportions from Kamloops through Okanagan and east to Creston in prospect and every day mills are idle means loss of boxes that cannot be made up during balance of season. Our Federation would value message from you regarding this crisis."

CITY JAYCEES TO JOIN CAR TREK JUNE 11

"See B.C. First" Caravan Will End at Prince George for Conference

TOURIST PLANS

Will Pick Up More Cars Enroute to North—Gov't Officials to Attend Parley

Several cars, with flying banners and ribbons, will stream out of Kelowna on Tuesday, June 11, to join up with the main body of the "See B.C. First" Caravan, and head for the Cariboo and Prince George. In this first trek since gas rationing became just a bad dream, the B.C. Chambers of Commerce and Boards of Trade are going out to determine for themselves what British Columbia really has to offer and what its wonderful potentialities are, so that they may be better prepared to present first hand information in the promotion of a greater tourist trade. Kelowna's Malcolm Chapin, in charge of the "See B.C. First" Caravan for the Interior, declared, "We have until we go out to see it—all of it. In a few years, B.C. will attract more tourists than any other province in Canada. We propose to help now to achieve that sooner."

Dine and Dance
Cars from the south will arrive in Kelowna June 10, and will be guests of the Jaycees that evening at a dinner and dance at the Aquatic. Leaving at 9 a.m. Tuesday, the 11th, the caravan, now including many Kelowna cars, will gather reinforcements at Vernon and at Kamloops, where a pause is made for lunch. The caravan will reach Cache Creek by 4 p.m., where it will join up with the large fleet from the Lower Mainland, and before leaving for Clinton, the ceremony of the passing of the Indian Pipe of Peace will be observed.

Clinton will be the stop-over for the night, with a special dinner arranged and a dance later at the Bar-B Guest Ranch. Next morning the Caravan will proceed to 100-Mile House and be guests of Lord Martin Cecil for lunch. Williams Lake will be hosts to the Caravan Wednesday night. With luncheon in Quesnel on Thursday, the Caravan will reach Prince George in the afternoon to be joined by a delegation from Prince Rupert, making possibly 75 cars in all.

Two-Day Parley
The big event will take place then, occupying the next two days, the 14th and 15th—the B.C. Regional convention of the Junior Chambers and Boards.

Many high officials are expected to swell the numbers of the "See B.C. First" Caravan. Among these will be representatives of the Provincial Department of Land, Forestry and Game, the Department of Trade and Industry. Also included will be delegates from the Vancouver Island Publicity Bureau, Victoria Times, Tourist Association of Vancouver, Vancouver Publicity Bureau, Vancouver Board of Trade, Vancouver Sun, Province and News-Herald.

WORLD SERIES PICTURES SHOWN

The showing of motion pictures of the highlights of last year's World Baseball Series, sponsored by the Kelowna Athletic Round Table, drew a fair attendance, but less than hoped for, at the Junior High School Auditorium last Thursday night. Free showings were given to hundreds of delighted school children on Wednesday and Friday afternoons of last week.

NEW PYTHIAN LODGES ARE GIVEN CHARTERS

James S. Gibb Represents City Lodge at Annual Parley Held in Victoria

The 45th Grand Lodge convention of the Knights of Pythias of B.C. was held in Victoria on Wednesday and Thursday of last week. The Kelowna Lodge was represented by James S. J. Gibb. Business sessions were held both morning and afternoon. On Wednesday evening the Knights met with the Pythian Sisters at a banquet and ball in the Crystal Ballroom of the Empress Hotel.

Charters were granted to seven new lodges, at Lake Cowichan, Parksville, Hollyburn, Nanaimo, Castlegar, Cumberland and Union Bay. An increase of 670 members during the last two years was reported in the 40 lodges in the Grand Domain of B.C. The Grand Lodge decided to maintain its sponsorship of the B.C. Musical Festival, which has been managed by a committee of Pythians since its inception in 1921. This year's festival is the best yet with a higher standard of competitors and adjudicators now that the war is over.

Public Speaking
The public speaking contest for ten-year students, which was held this spring was quite successful and will be continued annually in B.C. Now that the war is over, the cigarette fund, which had supplied millions of cigarettes to B.C. service units overseas, will supply smokes for veterans in B.C. military hospitals.

The Grand Lodge decided to hold their conventions annually and next year's parley will be held in Vernon, in May. Grand Lodge officers elected for this term were: P. J. McKim, Kimberley, Grand Chancellor; R. G. Toplis, Victoria, Grand Vice-Chancellor; C. R. Morrison, Vancouver, Grand Prelate; F. J. Harding, Vancouver, Grand Master of Exchequer; J. L. Bowring, Penticton, Grand Master at Arms; Horace Simpson, Trail, Grand Inner Guard; H. R. Brown, Victoria, Grand Outer Guard.

HOSPITAL EGG GIFTS REACH 400 DOZEN

Officials Hope Last Year's Record of 750 Dozen Will be Reached

The total number of eggs donated to the Kelowna Hospital Society has now reached approximately 400 dozen, but it is hoped that this will be supplemented by additional gifts which have been promised but have not yet been received. Officials of the local hospital reported this week. Last year a total of 750 dozen was a record high and the hospital is still hopeful that this figure may be reached once more.

Following is a partial list of donors:—Kelowna Roman Catholic Church, Rutland Roman Catholic Church, 1st Baptist Church, St. Michael and All Angels Church, Church of England, Ok. Mission, Rutland United Church, John Dunlop, Mrs. Everard, Miss Jito Singh, Mrs. F. Brown, Mrs. L. Gasparone, Mrs. R. H. Stubbs, Mr. B. Thompson, Mrs. R. Berry, R. B. Staples, Mrs. W. Vacaro, Mrs. Grey, Miss E. Gay, Mr. S. Kornze, Mrs. J. E. Fahlman, Mrs. J. Alimonti, Mrs. J. Bulach, Mrs. J. Merk, Mrs. Syl. Senger, Mrs. Ed. Meier, Mrs. Frank Gardner, Mrs. Lehnbridge, Mrs. J. C. Kennedy, Seventh Day Adventist Church, Bethel Baptist Church, Salvation Army Church, St. Mary's Sunday School (East Kelowna), Kelowna United Church, Inezola Hardie, Mrs. C. Watt, Mrs. Lloyd Brown, Mrs. J. Clarke, Mr. Norman Fenton, Mrs. M. Gasparone, Miss L. Materi, Mr. W. M. Todd, Mrs. R. H. Stubbs, Mr. B. T. Haverfield, Mrs. P. Barrara, Mrs. Fritch, Miss O. Radin, Mrs. Eubank, Mrs. J. Dreiling, Mrs. D. Schonberger, Mrs. J. Schmidt, Mr. Jacob Schneider, Mrs. M. Silber-nagel, B. McIver, Mrs. Carruthers, Mrs. Van der Vliet.

Mrs. Ben Hoy left on Saturday for Vancouver, where she will visit her daughter, Miss Poppy Hoy.

GY COLONY SET

COMPLIMENTS BEGIN ON THE SOFA—AND THEY SHOULDN'T END AT THE ALTAR, EITHER

HAVE YOU EVER READ MR. HENRY FORD'S PLEDGE TO FORD OWNERS?

"In the Ford Motor Company we emphasize service equally with sales. It has always been our belief that a sale does not complete the transaction between us and the buyer but establishes a new obligation on us to see that his car gives him service. We are as much interested in his economical operation of the car as he is in our economical manufacture of it. This is only good business on our part. If our car gives service, sales will take care of themselves. For that reason we have installed a system of controlled service to take care of all Ford cars needs in an economical and improved manner. We wish all users of Ford Cars to know what they are entitled to in this respect so that they may readily avail themselves of this service."

(signed) HENRY FORD.

BARON STRATHCONA and MOUNT ROYAL
United Canada

300 Years Ago
CALVERT United Two Continents

IN 1622 CALVERT, famous English statesman and Secretary of State to King James I, helped to unite the Old World and the New. Founder of colonies in Newfoundland and Maryland, Calvert's ideals of unity did much to foster understanding and friendship between two great continents.

Man of Vision, Calvert, early in the 17th century, said, "Preserve unity... prepare for the future"... and he set the example by his own actions. Calvert's ideals of unity have been shared by all men of vision since Calvert's time. Today... let each of us be a man of vision... let us work earnestly for a united Canada.

Upon unity of purpose depends the full measure of our stature as a nation. There is only one Canada for clear-headed Canadians.

Seven Kelowna and district musicians captured special awards in the recent Okanagan Valley Musical Festival held in Penticton. Following are the winners of the special awards:

Gyro Club of Kelowna Shield, Grades 1 and 2, Penticton Elementary School, conductor, Miss Doris Jenner.

Kelowna Board of Trade Challenge Cup, Mrs. M. C. Fisher's Ladies' Chorus, Penticton, conductor, Monica Craig Fisher.

Bradley Cup, awarded jointly to Marion Jean Handlen, Kelowna; Brenda Bothe, Kelowna; Brenda Carr-Marian, Kelowna; Hilton, Kelowna.

LUMBER, UNION HEADS SPEAK BEFORE STRIKE

S. M. Simpson and W. Langmead Address Employees in Lumber Yard

S. M. Simpson, manager of the S. M. Simpson Co., Ltd., made a last minute effort to avert the strike on Wednesday, May 15, when he called a meeting of all employees in the lumber yard. William Langmead, local organizer for the I.W.A., also spoke briefly following Mr. Simpson. Following is the text of the speeches made by both officials:

Mr. Simpson: "It has been a long time since I have had an opportunity to speak to the staff as a whole, but things make it rather necessary at last that I should have a talk with you. I have been told by one of your union officers that it is the intention to go on strike at 11:00 o'clock, but thought it better to call you together before 11:00 o'clock to explain our position to you."

"The only contact you have had with this organization has been through your union. I would like to say the main points of issue are 25¢ per hour increase which, I ask, union security, check-off, and a 40 hour week with some minor matters as well. To me this is a minor issue. At the present time the greater issue is the question of a minority group in this organization compel and force the majority group to go out on strike and remain away from work. To me that is the main issue on which the last war was fought. The death of millions of people, millions of dollars lost, and millions of people under starvation and misery. To me this is an important factor when you limit individual security. It is not a matter of union security, but a matter of individual security."

Intimidation Threats

"As you are aware there has been several threats of intimidation and threats of physical violence. It seems almost impossible that such a condition could exist in this country, much less Kelowna. It is regrettable to say the least and I cannot imagine a group of people in Kelowna standing for such an injustice. I believe I am correct when I say the strike vote was a minority vote of your group. We would get away from the facts when I say that when force is used, we are faced with a possibility of people being maimed for life. I cannot help feeling that responsibility must be taken by you or your organization leaders. As we all know, there are millions of graves over Europe resulting from persons being true to their convictions. There are also millions of graves where whole families have been slaughtered because one member was faithful to his convictions as to what was right and what was wrong. I contend the first right of every individual is to live by his conscience and not by the law. Under present conditions our law will be enforced and we believe our police are strong enough to give security and protection to every individual who desires to carry on his work. If by any chance the law fails or the law does not get the support it requires and it comes to a question of force between different

GETS WATER BUT RUNS TOO SLOW

E. A. Tate, 42 Cawston Avenue, wrote to City Fathers on Monday night appreciating the fact the city had installed water in his house, but took exception to one thing; the water didn't run fast enough.

Mr. Tate said he had removed the taps, but failed to find any stoppages. The water in his next-door neighbor's house ran much faster, he said. The matter was turned over to the city engineer to investigate.

Mr. Tate said he had removed the taps, but failed to find any stoppages. The water in his next-door neighbor's house ran much faster, he said. The matter was turned over to the city engineer to investigate.

THREE COMMON MISTAKES REGARDING WILLS

A survey conducted in the United States not long ago, the findings of which apply equally to Canada and Canadians, indicates that the three common mistakes which people make in regard to their wills are:

Failure to secure proper legal advice.

Failure to revise a will to meet changing circumstances, and

Failure to appoint an experienced Executor.

Such mistakes need not happen, but they are responsible for worry, loss of time and needless expense.

Safeguard your Estate by consulting your Solicitor in the drawing of your Will, and appoint this Company as your Executor.

CITIZENSHIP AWARD TO BE MADE IN 1947

Group of Long-Resident Citizens Will Pick Distinguished Citizen

Correcting an erroneous impression, the Junior Chamber of Commerce hastened to advise that the conferring of the "Good Citizenship Award" will not be made until next year.

"We are definitely not making the award this year," Foster Mills, chairman of the committee in

charge, explained. "The committee is charged with the responsibility of awarding this distinguished honor to the outstanding citizen of the year, but the task of determining who that person will be will not fall on ourselves, who are regarded by many as being too young to properly judge, but will fall on a group of long-resident and civic-minded citizens, who will be in the best possible position to decide."

"Further, by Canada Week, in June of this year, they would not have spent sufficient time to properly seek out the most meritorious citizen," he said.

The plans for the observance of Canada Week, next month, are going ahead satisfactorily, a Jaycee chairman in official reported.

ARE 2 ENOUGH?

RIDE THE CREST OF VIGOR

Start your breakfast with 2 TABLESPOONS OF FLAVORFUL GRAPE-NUTS

Get away to a flying start in the morning. Make sure your breakfast is a VIGOR breakfast. Two tablespoons of Grape-Nuts are sufficient for an ordinary serving of cereal. That's why you get 14 to 16 servings from every package. Grape-Nuts is unlike any other cereal because it's made from two grains—not just one. Sun-ripened wheat and malted barley, double-baked by an exclusive process. It's the flavor cereal—chewy—delicious—nutritious. Easy to digest! 14 to 16 servings in every package. Yes, two tablespoons are all you need. Get a package of Grape-Nuts from your grocer this week.

I. W. A.

Strike Bulletin No. 1

The lumber operators, having decided to refuse all three demands of the I.W.A., can now be held wholly responsible for the present state of affairs whereby negotiations have ceased and the battle lines are drawn.

Your negotiating committee wishes to assure you that everything has been done on their part to avoid the present impasse, even to the point where we made a last minute offer before Mr. Justice Sloan in Victoria to call off the strike if the operators would concede an 18 cents increase overall and the 40 hour week. We consented to arbitrate union security.

This, as you have learned, was refused. The operators made it quite plain that negotiations, started last March 21st, have been a farce. They steadfastly refused to advance any proposal that your committee considered a common meeting ground.

THEY CONFUSE ISSUE

As we have predicted, attempts are now being made to confuse the issues. To the operators there is no longer a question of increase in pay, a forty-hour week and union security. Their publicity campaign is designed to draw a veil over our demands and replace them with the charge that the strike is illegal.

Not only did they insist at the Victoria meeting with Mr. Sloan that the strike deadline be lifted but that your committee publicly remove all threat of future strike. Only when this was done would they consider negotiating further. This we refused to do.

It is now suggested that the I.W.A. apply to conciliate the dispute under Order-in-Council P.C. 1003, that so called "legal" hocus pocus conceived in Ottawa whereby disputes such as ours are dragged out for months and when decisions are made that are not acceptable by the employers, are blithely ignored.

You will recall the unanimous decisions brought down in our favor under P.C. 1003 in the cases of the Sweeney Coopers Company, Sitka Spruce and the Cranbrook Cartage, after long drawn out hearings. The companies refuse to implement these decisions, because there is nothing in P.C. 1003 which compels them to do so.

This, then, is what we are offered by the operators in answer to our demands:

Call off the strike, they say in effect, come into bed with us where we can concoct a joint application for arbitration under P.C. 1003, and then, if neither of us like the decision handed down, we can say to hell with it and we are back where we are now.

Your committee's answer to that suggestion was, and is, a flat "NO".

THE FIGHT IS ON

The battle having been declared, let's not mince matters. This is a fight! Already you see in the public prints the strategy of the operators. Let a ballot be taken of all those employed in the industry, they say. Let the government ask the employees of the lumbering industry if they are prepared to accept what the operators call "offers".

In a word, a wedge between the workers and their union leaders. Break the union even if you have to make concessions.

Keep the picket lines tight, brothers. Watch the press (carefully) and keep tuned to your radio for further announcements. We're in this fight together.

I.W.A.-C.I.O. Local No. 1-423

A STATEMENT OF FACTS

by

S. M. Simpson Limited

and

The Kelowna Sawmill Co. Limited

Do you know?

That these Companies have agreements covering rates of pay, hours of work, holidays with pay, and conditions of employment.

Do you know?

That these Companies have not yet received notice of termination of existing agreements as required under Wartime Labor Regulations P.C. 1003.

Do you know?

That the International Woodworkers of America did not receive bargaining rights until DECEMBER 10th, 1945, with these Companies.

Do you know?

That Wartime Labor Regulations P.C. 1003, and the agreements in force provide a procedure whereby disputes can be settled, when both sides act in good faith, and we are prepared at all times to fulfill our responsibility in this respect. This procedure has not been given a chance in this instance and strikes are prohibited by law until after it has been used.

Do you know?

That the hourly rates of wages paid by these Companies are comparable with the rates negotiated this spring, effective as from May 1st, 1946, by the United Packinghouse Workers Union and the Fruit Shipping Organizations.

Do you know?

That the present strike is an illegal action taken by the union. The telegram from the Companies to the Provincial Minister of Labor and his written reply quoted below confirms this.

The Companies wired as follows:

"I.W.A. called all employees on strike eleven a.m., today stop this strike has been called disregarding existing agreement in force without giving two months' notice of termination in accordance with PC1003."

The Provincial Labor Minister replied as follows:

"I acknowledge your wire advising me that the employees have gone on strike. This is a very regrettable occurrence AND IS, OF COURSE, AN ILLEGAL ACTION.

"The question of taking action to penalize the persons responsible for this is the responsibility of the Minister of Labor for Canada and the problem of so penalizing masses is and always has been an extremely difficult one.

"The proper method of dealing with this problem is receiving the most earnest consideration and I am hopeful that some solution will be found in a very short time."

These Are the Facts Judge for Yourself

KELOWNA IN BYGONE DAYS

Forty Years Ago
Thursday, May 4, 1906

"A meeting was held on Saturday night of people owning land on Elbow Highway, to consider renewing irrigation ditches and ditches. It was announced that the City Council had given permission to run a ditch along the street, and it was resolved to change the location of the existing ditch so as to conform to the street line and permit bringing water to points not now reached."

"D. Lloyd-Jones announces he will have a portable mill ready to do business in a month. This will be good news to builders, as the shortage of lumber otherwise would interfere seriously with the progress of construction on many residences going up throughout the Valley. The boiler, only a year old, was not very much damaged by heat in last week's fire, and Mr. Jones hopes it will pass inspection and carry sufficient pressure for milling purposes."

"A brush fire in the neighborhood of Chinatown caused some alarm on Sunday, and the fifty-year-old engine was dragged to the spot but refused to work so long as it was needed. When the danger was practically over, it gracefully consented to be employed, which shows how much reliability can be placed on it. It has been suggested that San Francisco would be glad to acquire it for its city museum, where it would rightfully take its place alongside relics of the 49-ers."

"At a meeting on April 25th, to consider various proposals to borrow money on debentures for fire protection and street improvements, there was lengthy discussion of the projects submitted."

Alderman D. W. Sutherland favored the purchase of a portable fire engine, manufactured by the Waterous Engine Co., with sufficient capacity to throw two streams over the highest building in town at the rate of 250 gallons per minute. With a system of wells and plenty of hose, he pointed out that such a machine would be available for all parts of the city, and the total cost would not exceed \$3,000."

E. Newby submitted a scheme for installation of a pumping engine on the lake front with a capacity of 250 gallons a minute, with the ultimate object of pumping into a reservoir of 200,000 gallons capacity at an elevation of 250 feet on Knox Mountain, but at the outset to pump into a stack tank of 15,000 gallons capacity, to be erected on a wooden tower about fifty feet high, situated about the intersection of Richter Street and Bernard Avenue. With a main along Bernard Avenue and short branch mains, Mr. Newby estimated the cost of the first stage of the scheme, without the reservoir on Knox Mountain, at about \$8,000, and he pointed out that the revenue from domestic supply would help to meet the fixed charges on the outlay."

After a large number of speakers had expressed their views for and against both proposals, a resolution, moved by Ald. Sutherland and seconded by D. Cardie, was carried, without opposition, to the effect that a sum not exceeding \$3,000 be raised to provide some form of fire protection in the shape of a gasoline or chemical engine or both."

Another resolution, moved by D. Leckie and C. Harvey, declared in favor of the Council submitting a by-law for endorsement to raise \$5,000 for street improvements."

THIRTY YEARS AGO
Thursday, May 4, 1916

"A casualty list issued at Ottawa last Sunday contains under the heading of 'Wounded' the name of 'Private Henry Lefevre, single, 26, of Kelowna.'"

Directors elected at the annual meeting of the Kelowna Aquatic Association, held on April 28th, included: President, J. F. Burne; Vice-President, W. M. Crawford; D. W. Crowley, J. B. Knowles, C. J. Prowse, W. J. Mantle, E. C. Weddell, St. G. P. Baldwin and W. C. Renfrew."

TWENTY YEARS AGO
Thursday, May 4, 1926

"The C.N.R. dock is well under way. All the piles have been driven and the deck is now being laid."

"At the regular fortnightly luncheon of the Gyro Club, held at the Palace Hotel on Tuesday, E. D. Alexander presented the club with a handsome silver cup, emblematic of the golf championship of the organization. It will be competed for this season."

"Leonard Norris, Government

Colliding with a fellow player, C. E. Dubbin, in a mutual rush to catch a high ball in a cricket game on May 3rd, Captain L. A. Hayman, skipper of the Kelowna-Westbank ferry, suffered a painful and serious injury through the fracture of two vertebrae in his neck. Both men were rendered unconscious by the shock of the impact, but Mr. Dubbin escaped any fractures and soon recovered. Captain Hayman, on the other hand, was placed in a plaster cast, in which he had to remain for several weeks."

Among civic grants for 1936, made by the City Council, were: Kelowna District Mosquito Control Association, \$150; Salvation Army, Vancouver, for social service, \$25; Salvation Army, Kelowna Corps, \$25. These, in contradistinction to other grants, were ordered to be paid forthwith."

More street lights in the industrial district were urged as a preventive of burglary in a letter to the City Council from the Occidental Fruit Co., who had suffered several raids on their premises on Eglar Avenue, when the street was in total darkness."

The first Okanagan Musical Festival was held in Kelowna on Monday only, Saturday, May 1st. From this modest beginning, which was acclaimed a great success, has evolved the three-day event of the present time. The adjudicator was R. Jamieson, of Vancouver."

Tobacco growers in the Kelowna district met on Thursday, April 28th, and, after thorough discussion of the proposal, decided to form an association for mutual protection and benefit of the industry. A committee was appointed to complete the work of organization, consisting of Capt. G. C. Oswald, H. C. S. Collett, W. Chamberlain, L. Holman and W. E. Earle, with E. W. Barton as secretary."

BLACK AND ALL SHADES OF BROWN

WESTBANK

WESTBANK—Mrs. E. Stubbs and Mrs. A. C. Hoskins attended the annual Kootenay Diocesan Board of the Women's Auxiliary as the Westbank delegates. The meeting was held at St. Michael and All Angels' Anglican Church in Kelowna on May 14.

Mrs. A. C. Hoskins was the guest of Mr. and Mrs. T. O. Hemming, of Kelowna, last week.

Mrs. E. Stubbs was the guest of her daughter, Mrs. H. Ashton, of Kelowna, last week.

Mrs. C. F. Hoskins returned home last Wednesday from Kelowna General Hospital.

Mrs. Smith and Miss Irene Smith, of Kelowna, were guests of Miss Joyce Ralph last Sunday.

Mr. and Mrs. J. Basham, Sr., who had been guests of their son, John Basham, left for Penticton Monday en route to their home in Burnaby.

Mrs. Joynt is the guest of her sister, Mrs. S. K. Mackay.

Mrs. J. Schneider was a patient in the Kelowna General Hospital for a few days last week.

Mrs. D. Webber is a patient in the Hospital.

Miss M. J. Dobbin, who had been the guest of her brother, Art Dobbin, returned home last Saturday.

Miss Mary Dobbin, who had been in Vancouver attending the U.B.C., arrived home last week. Miss Dobbin will be the guest of her aunt this week.

Mr. and Mrs. Rex Hardwick are the guests of Mrs. H. Hardwick until their new home can be built.

Mrs. H. Clarkson returned home last Saturday from the Kelowna Hospital, where she had recently undergone an operation.

Mrs. Britton and Mrs. Johnston, of Saskatchewan, are guests of their brother, Milton Beirnes. They were pleased to find their mother, Mrs. Emma Beirnes, much improved in health, and are planning to take her back to Saskatchewan with them in the near future.

Mr. and Mrs. John Paynter re-

Agent at Vernon, has been superannuated at his own request after over thirty years service in the employ of the Provincial Government, spent wholly at Vernon."

"Some idea of the growth of the city at the present time can be gleaned from the fact that G. H. Kerr's subdivision between Abbott St., Lake Avenue and McDougall St., adjoining the City Park, was almost sold out within a few days to people who will erect residences there."

"The Farmers' Market, which this season will be under the management of the Rutland Women's Institute, was opened for the season on Saturday morning, when a number of the stalls were taken. Sales included farm produce of all kinds and home cooking, the latter being most in demand."

"Welcome spring showers during the past week have done an immense amount of good to vegetation, besides assisting materially towards raising the level of the irrigation reservoirs, and a continuance of such conditions during the month would remove practically all risk of damage from water shortage, such as has been feared from the remarkable lack of snow-fall on the watersheds last winter."

Tobacco growers in the Kelowna district met on Thursday, April 28th, and, after thorough discussion of the proposal, decided to form an association for mutual protection and benefit of the industry. A committee was appointed to complete the work of organization, consisting of Capt. G. C. Oswald, H. C. S. Collett, W. Chamberlain, L. Holman and W. E. Earle, with E. W. Barton as secretary."

The first Okanagan Musical Festival was held in Kelowna on Monday only, Saturday, May 1st. From this modest beginning, which was acclaimed a great success, has evolved the three-day event of the present time. The adjudicator was R. Jamieson, of Vancouver."

Tobacco growers in the Kelowna district met on Thursday, April 28th, and, after thorough discussion of the proposal, decided to form an association for mutual protection and benefit of the industry. A committee was appointed to complete the work of organization, consisting of Capt. G. C. Oswald, H. C. S. Collett, W. Chamberlain, L. Holman and W. E. Earle, with E. W. Barton as secretary."

The Kelowna Musical Festival was held in Kelowna on Monday only, Saturday, May 1st. From this modest beginning, which was acclaimed a great success, has evolved the three-day event of the present time. The adjudicator was R. Jamieson, of Vancouver."

MAN AND TWO YOUTHS FOUND RIFLING CARS

Adult Given Jail Sentence—Juveniles to Appear in Court on Monday

Found guilty on two charges of theft from automobiles in Kelowna on May 4th, Peter Von Miesen, of Oliver, was sentenced in city police court on Monday to four months' hard labor and two months' hard labor on each charge, sentences to run concurrently.

Miesen is alleged to have come from Oliver with two juveniles in his car, late Saturday night, and after cruising around town for a while, started rifling cars in the various districts. When detected and apprehended, they were found to have many stolen articles in their possession.

When the case of the two juveniles came up for disposition, they turned from a trip to Vancouver last week-end.

WOULD PROMOTE TOURIST TRADE

A letter received by the City Council on May 6th from Lawrence R. Walrod, in connection with tourist possibilities in the Okanagan Valley, was referred to the local Board of Trade.

Mr. Walrod thought that some effort should be made to "promote" the tourist possibilities in the Valley, by showing moving pictures, etc., in the northern part of the United States, and he said he would be willing to assist in getting things organized.

At the suggestion of Alderman W. B. Hughes-Games the matter was referred to the Board of Trade. Mayor Pettigrew thought the newly appointed secretary of the Trade Board, Doug Disney, could consider the suggestion, as he will be doing a certain amount of tourist publicity since he took over the Trade Board position.

were fined \$20 each, and placed on probation for one year. They were forbidden to associate with each other for that period, and the youths' drivers' licences were suspended for a year.

Fall Harvest Easiest And Longest Of Garden Year

Victory gardeners who fail to sow in midsummer for the fall harvest, miss some of the most satisfying experiences of the year. Many vegetables difficult to grow well in the spring are easy in the fall; and they remain at top quality a longer time. They are in a rush to "go to seed" in the spring, and this destroys their table quality. But in the fall there is no such tendency. Either the high temperatures or the fact that the days are growing longer is believed to give some plants the signal to mature seed in midsummer; but in the autumn with nights cooler and days shorter, this signal is not received.

Chinese cabbage will make fine tight heads; cauliflower and spinach will develop with no tendency toward bolting; and lettuce will remain sweet and tender until killing frosts come.

Some vegetables are given a superior flavor by light frost; cabbages, kale, and chive among them. Brussels sprouts, the favorite British vegetable, is exclusively a fall crop in this country, and will grow out after our hard freeze and remain edible. Fall cabbage usually does better than early; kohlrabi and turnips have a much longer harvest season.

Both in midsummer, when the fall crops are getting a start, and in the cool weather of the autumn, growth will be slower. So do not wait too long to get them started. Maturity dates given in seed catalogues are intended for fast spring growth; and in calculating fall growth should be lengthened appreciably.

Remember, also, that as the sea-

Brussels Sprouts, Autumn Delicacy.

son grows later, it is the early, quick maturing varieties that should be sown again. So-called late varieties are those that take a long time to mature, and if sown in midsummer they may be frozen before they are ready. But "early" varieties, which mature quickly, will give a harvest.

Beets, beans, carrots, cucumbers, radishes and sweet corn can be sown late for a fall crop and in some sections peas will do well from a midsummer sowing.

Many Perennials As Easy As Vegetables To Grow

Victory gardeners who aspire to one of the advanced degrees in horticulture—should sow a row or two of perennial flower seeds in their vegetable plots this spring. Perennials live for years but usu-

Hollyhock Seeds Germinate in Five Days From Sowing.

ally do not begin to blossom until their second year. To many gardeners the idea of growing plants a year before they bloom seems prohibitive, and they buy perennial plants a few at a time when for a fraction of the cost they could grow abundant quantities from seed. There is a long list which are as easy to grow as radishes, if they are sown in the cool spring soil, rather than sown in midsummer as many garden books advise. Midsummer sowing for most perennials is a British practice, which is not suited to our climate. Hot, dry weather makes it difficult to germinate seed then, and the plants do not have time and favorable weather to develop into sturdy clumps before winter sets in.

Spring sown perennials, on the other hand, make deep roots before hot weather and by early fall are ready to move to their permanent places in the border, with assurance of a full crop of flowers the following year.

The same methods of applying fertilizer and sowing the seeds that are used on vegetables should be applied to perennial flowers. They must have room to develop, and will usually need thinning out. Professionals sow them in a seed bed and transplant to a garden row when they are large enough to handle.

With them, as with annual flowers, the time required to germinate seed is long in some cases; and the gardener must wait patiently until the sprouts appear, without disturbing the seeds. Outdoor flats may be used for starting slow growing varieties. Some of those easy to grow from seed, with the approximate time the seed requires to germinate, follow:

- Anchusa, the African forget-me-not, some varieties of which grow five feet tall, germinate in 10 days;
- anthemism, the marguerite, 5 days;
- campanulas, bell flowers, in 5 days;
- columbines, in 30 days; coreopsis, 5 days; shasta daisies, 5 days; delphiniums, 20 days; hardy pinks, 5 days; hibiscus, 15 days; gaillardias, 20 days; hollyhocks, 5 days; heuchera, 20 days; linum, 8 days; lupins, 8 days; primulas, 15 days; pyrethrum, 20 days; veronica, 20 days.

If several varieties are sown in one flat, they should be chosen to germinate at about the same time. All those mentioned are good border flowers, and good subjects for beginners to undertake.

Crops Lightly Damaged By Frost But Heavier Yields Are Indicated

Recent Warm Weather Brings Crops Along—Blossom Indicates Heavier Crop in All Tree Fruits—Pears and Apples May Run Heavier Than in 1945—Some Pest Damage Reported in Various Districts—Report Indicates Trees Weathered Winter Well But April 30 Frost Caused Some Damage

SLIGHT damage was done to fruit and vegetable crops by frosts around the latter part of April, but warm weather during the past two weeks has brought crops along, and early indications point to a heavier yield in all tree fruits, according to the first horticultural news letter issued by the provincial department of agriculture. The report, which covers conditions up to the middle of this month, also states that there has been an increase in pest damage, although this varies throughout the districts. In the Kelowna area, trees came through the winter in good condition, and blossoming occurred a few days earlier than last year. The blossom indicates a heavy crop in all tree fruits, and although it is early to predict what the set will be, apples and pears may run heavier than in 1945. The cherry set is variable and indications are that cherries and prunes will be lighter than last year. While accurate figures are not available, onion acreage will likely show some increase over 1945, and tomato acreage a slight decrease. Tomato plants are now being set in the fields.

Tent caterpillars have made their appearance in increasing numbers in many districts, particularly on the mainland and Vancouver Island. Where arsenate of lead sprays have been applied, good control has been achieved, but large numbers of them have been reported in the apple, plum and cherry trees have already been completely defoliated where no spraying has been carried on. In the southern part of the valley, orchards are in excellent condition following a mild winter and excellent moisture conditions. Bing cherries appear to be on the light side, all varieties of other fruit having bloomed well. For the first time in several years, Peach Twig Borer is causing some trouble in peaches and apricots. Cutworms have been destructive on ground crops.

Around the Kootenay and Arrow Lake districts, all small fruits as well as tree fruits have wintered well, and a heavy crop is indicated. Cool nights and occasional frosts have retarded growth in the Creston area. The odd fruit tree and bush that showed signs of winter injury, but the injury was of no commercial significance. The situation around Creston is summed up as follows: raspberries, large increase; cherries, very few (due to "little cherry" disease); Spanton apple, considerable increase with odd varieties being well up to this variety; strawberries, small plantings (due to disease and low price ceiling); in all other fruits, the plantings have been the usual average increase.

Following is a summary of the crop situation in the areas surrounding Kelowna:

Okanagan
Salmon Arm, Sorrento and Main Line Points: In spite of a rather severe freeze early in November, the winter has been mild with more than average precipitation, much of which fell in the form of rain on the lower levels. There was no frost in the ground when the snow went off, neither did it penetrate to any depth at any time during the winter, consequently there was practically no run-off of snow water, and at present soil moisture conditions are good. Shallow root crops would benefit by a good rain, as surface soil is getting dry in some locations.

Spring has been cold and backward, but nevertheless the stage of plant development is about five days earlier than in 1945. Since May 1st, however, much higher temperatures have prevailed and rapid development is taking place. This has also caused abnormal rise of creeks and rivers and in some localities flood conditions may be anticipated. Snowfall in the area has been very heavy and prospects for irrigation water supplies are excellent. Frosts occurred throughout the district on May 1st, 2nd and 3rd but caused no extensive damage to crops.

Fruit-trees of all kinds wintered well and there is practically no evidence of injury. The show of bloom on all tree fruits was except heavy and given normal conditions a very heavy crop is indicated. Weather conditions during cherry blossom time were unfavorable to pollination and frosts occurred, but it is too early yet to forecast the crop. At Salmon Arm many growers were unable to complete their Pink seab control spray during the unusually short period that elapsed between the "Pink" stage and full bloom. The Calyx spray is now being applied throughout the district.

Small fruits of all kinds came through the winter well, and indications at present are for a normal crop. Strawberries are now making good growth.

There was some loss from frost in early planted tomatoes at Kamloops and Ashcroft, but these have been re-planted in nearly all instances. Asparagus was also injured, but this crop is now moving again from Kamloops.

Vegetable insect pests have not been giving much trouble so far at Kamloops, but cutworms are very numerous at Lillooet and are attacking nearly all vegetable crops.

Above Average Snowfall
Armstrong, Vernon, Oyama, Winfield and Okanagan Centre: The winter of 1945-46 was the most uniform in temperature conditions experienced for some time. No sub-zero periods were encountered and there was practically no soil freezing. Snow fall was above average, carrying an exceedingly high water content. No spring run-off with this snow cover occurred, practically all moisture going into the soil to a good depth. The spring of 1946 was appreciably drier than the winter, in opening up than 1945, but cooler weather following closed the gap until at blossom time the season was about one week ahead. The snow run-off from the intermediate mountain levels has been underway now for two weeks with the creeks and streams running high. With snow at higher levels still to come down there is yet danger of flood conditions in some areas. All irrigation reservoirs should be more than filled for the coming season.

Strawberries, bush and vine fruits in general, have wintered very well and are now making active growth. Strawberries and black currants are approaching in increasing numbers in many districts, particularly on the mainland and Vancouver Island. During the blossom of the orchard trees a week of high temperatures brought all varieties on with a rush. A night frost on April 30, varying from 6 to 10 degrees in the district covered by this report, caught cherries, pears, late peaches and early plums in bloom. Some slight damage was noticeable in some low level cherry locations, but this did not appear severe. During the balance of the blossom period, weather conditions were practically ideal.

Covering the district as a whole, all varieties of tree fruits have shown medium heavy to a very heavy bloom, and indications are for a large crop of tree fruits. This, however, can not be verified for another two weeks.

With early working conditions very favorable, planting of the vegetable acreage got away to a strong start. The April 30 freeze destroyed a percentage of tomato plants out area. The odd fruit tree and bush that showed signs of winter injury, but the injury was of no commercial significance. The situation around Creston is summed up as follows: raspberries, large increase; cherries, very few (due to "little cherry" disease); Spanton apple, considerable increase with odd varieties being well up to this variety; strawberries, small plantings (due to disease and low price ceiling); in all other fruits, the plantings have been the usual average increase.

tall crop. Pears are setting well, plying calyx spray. Apple bloom was rather up to its but Tomato planting acreage down crop will be well over last year. Much demand spraying has been from last year, onions up. Early and late and growers are now busy with late potato plantings are heavy.

You can TASTE the DIFFERENCE in POST'S Bran Flakes

... and get other important food benefits, too

BECAUSE bran is a natural bulk food, it is almost a must in our daily diet, to provide that important roughage which helps to keep food wastes moving promptly.

Post's Bran Flakes provide this important roughage in its most appetizing form. Those crisp, toasted flakes, with that nut-

sweet flavor, make good eating at breakfast ... or any other meal. And for light, tender bran muffins, follow the simple recipe on the package.

You'll get good, sound wheat nourishment, too, because Post's Bran Flakes are made with other parts of wheat. Look for the Regular or Giant Economy package at your grocer's.

Vernon Captures Aggregate Honors In School Track Meet With Kelowna Running Second

Northern City Scores 171 Points—Local Athletes Pile Up 123—Penticton Finishes Third as Two Existing Records Are Broken, One Tied and Several New Marks Set in Events Introduced for First Time—Northerners Retain Vernon Cup as Keen Interest Shown in All Events

SWEEPING to an overwhelming victory, Vernon captured the school aggregate honors in the 19th running of the annual Okanagan Valley School Track and Field Meet, at Kelowna's City Park athletic grounds, Saturday, May 18, with an imposing score of 171 points. Kelowna, after a valiant fight, had to be content with second spot, piling up 123 points, and Penticton finished in third position with 88. Southern Okanagan United Rural, consisting mainly of Oliver, garnered 59 points, Westbank 16, Summerland 15, Armstrong Consolidated and Peachland, each 6 points.

Two existing records were broken, one tied, and several new marks set in the events introduced for the first time, in the successful and well organized meet, the first one held since 1940. One of the largest ever attempted, 52 events were run off, witnessed by upwards of 800 lively shouting fans and supporters, with cheer sections and all.

In its glorious triumph, Vernon, and just a few feet behind, retains the Vernon Cup, which it carried over into its 110th year in 1940, and which is emblematic of school supremacy. Class A, 500 pupils or over. The Class B trophy, the Kelowna Cup, for schools with attendance between 100 and 499, will rest with Southern Okanagan United Rural, and Westbank collared the Jacques Cup, the Class C prize, for schools with 99 pupils and under.

Credit for the record smashing goes to two girls. J. Husband, Vernon, with her classy running of the 100 yard dash, girls 20 and under, which she captured in a "walk-away" with her time of 11 3/5 seconds, cutting off 1/5 second from the existing mark of 11 4/5 seconds. Nearly 7 inches was added to the pumping distance mark for the broad jump, girls 20 and under, by J. Kanza, S.O.U.R., when she set the new record of 15 feet, 4 1/2 inches, as compared to the previous mark of 14 feet, 9 1/2 inches.

Equalling the mark of 10 4/5 seconds, was A. MacDonnell, Vernon, in driving through first in the 100 yards dash, boys 18 and under. Collectively, Vernon showed its power and worth, in snaring 22 firsts, 12 seconds and 9 thirds. Kelowna cornered 11 firsts, 14 seconds and 15 thirds, and the best that Penticton could come out with was 11 firsts, 8 seconds places and 6 third positions.

Individually, there were no outstanding stars, though among the boys, Vernon's P. Clarke excelled with three first place positions, Penticton's P. Young and Vernon's A. MacDonnell and D. Douglas captured two firsts each. E. Shaw, of Vernon, upheld the girls' end with two blue ribbons.

Exceeded Expectations
In view of the fact that this was the first meet in six years, and that most of the competitors had never been in one before, the results were gratifying, and in many instances far exceeded expectations. Many of the athletes showed promising form, and forecast many more successful assaults on existing records in future meets. The marks set for this year's 17 new events could well be a tumble in next year's meet, if enthusiasm and form of the athletes themselves, and the zeal of their respective coaches maintain the same accelerating pace noticed.

Some improvement in fan interest and applause, which was not all that could be hoped for at this meet, will be effected when the schools are in a better position to provide their contestants with identifying colors and uniforms, so that all watching may tell at a single glance who is who in any event. This matter, it is reliably reported, will be taken care of for the next year, conditions permitting.

Thrills aplenty featured the bright sunny day, but the crowning thrill moment of them all came, coincidentally, at event number 26, the half-way mark. Kelowna's Tom McCarthy brought home victory from apparent defeat in the dying seconds of the 440 yard relay, boys 16 and under. From the start of this crowd pleasing event, Vernon took the lead, and held on to it tenaciously, relay after relay, with Kelowna and under: E. Leir, Penticton; B. pressing all around. Came the last relay after relay, with Kelowna and under: E. Leir, Penticton; B. pressing all around. Came the last relay after relay, with Kelowna and under: E. Leir, Penticton; B. pressing all around.

CITY BALL TEAMS NOW ORGANIZED

"Fastballitis" Being Overcome as Teams Settle Down to League Games

"Fastballitis" is being overcome slowly. This disease which has blighted plans to organize ball leagues time and time again, has at last lost its grip, with the announcement by fastball czar, Jimmy Smith, that all leagues are either functioning or about to get underway, with the exception of the senior league.

This four-team circuit will get its final "shot in the arm" this week, and by next week, Pro-Ree, Club 13, Rutland and Glenmore should be showing in the wars. This league, unlike the others, can run well into July and August, and probably will.

Three teams are in the junior boys' league, Club 13, United Church and Peachland, with games provided for Mondays and Fridays.

The opening game was played last Monday, May 20. Similarly, the junior girls' league has three entries, C. Y. O., Club 13 and the Junior High School. Their first game was played last night (Wednesday) and the rest of the schedule appears below.

Junior Boys
Mon., May 20—Club 13 vs United Church.
Mon., May 27—Peachland vs Club 13.
Fri., May 31—United Church vs Peachland.
Mon., June 3—Peachland vs United Church.
Fri., June 7—United Church vs Club 13.
Mon., June 10—Club 13 vs Peachland.
Fri., June 14—United Church vs Peachland.
Mon., June 17—Club 13 vs United Church.

Junior Girls
Wed., May 22—Club 13 vs C.Y.O.
Mon., May 27—Jr. High vs Club 13.
Wed., May 31—Jr. High vs C.Y.O.
Mon., June 3—C.Y.O. vs Club 13.
Fri., June 7—Club 13 vs Jr. High.
Mon., June 10—Club 13 vs C.Y.O.
Mon., June 17—Jr. High vs Club 13.

All games to be played at Elementary School grounds, starting at 6:30 p.m.

Midlet Boys
Wed., May 22—Club 13 vs Glenmore; Zombies vs Teen Town.
Mon., May 27—Club 13 vs Legion; Teen Town vs Glenmore.
Wed., May 31—Club 13 vs Teen Town; Legion vs Zombies.
Mon., June 3—Zombies vs Club 13; Glenmore vs Legion.
Wed., June 5—Zombies vs Glenmore; Teen Town vs Legion.
Mon., June 10—To be played at Junior High School grounds and at Glenmore, starting at 6:30 p.m.

LOCAL BALL TEAM DOWNED BY PENTICTON

Kelowna Loses 4-3 as Penticton Pitcher Allows Few Hits in Tight Game

HAMMOND STARS
Bases Are Loaded in Last of Ninth But Locals Fail to Score

Suffering initial setbacks seems to be common in local athletic circles, the opening game of the South Okanagan International Baseball League at the City Park, Sunday, May 19, Kelowna was thumped 4-3 by the visiting Penticton squad.

"We were robbed," and "we should never have lost that game" were the opinions of most of the fans and the officials, and the facts may bear out those assertions.

If anyone robbed the locals, Lefty O'Murphy looked plenty smart in Kelowna's defeat, attested by the fact that they doled out only eight hits to the opposition, and between them they struck out 15 batters.

It was a close game and a good one to watch, and it almost had a story book finish. Spectators, numbering around 600, stayed until the last ball was thrown, as Kelowna made its last bid to bring victory out of impending defeat. They loaded the bases with only one man out, in the last of the ninth, but to the chagrin and amazement of all, Hammond would not let the lead, that he had worked on so hard to build up, vanish without putting everything he had into it, which he did, forcing the last two batters to fly out into the infield.

Coy, Penticton's shortstop, homered into deep left field in the fourth frame, and in the same inning, Kelowna's right fielder, Bud Gourlie, smashed the ball into almost the same spot, but faster fielder limited him to three bases.

Second Inning Runs
Kelowna scored all its runs in the second stanza. Tostenon slashed a low flying ball over first base, and hit out for third base when Grayson muffed the ball. Leismaster walked, Tostenon brought in the first score when Jellison fumbled Gourlie's hot grounder toward the third sack. Kilibiski and Chaubin fled home. Vernon beat out a grounder to the shortstop, scoring Leismaster. Before Murray fled out to retire the side, Gourlie brought in the last run for Kelowna on a passed ball.

Coy tallied for the visitors in the fourth with his round-tripper. Penticton tied it up in the sixth, Grayson starting the rally with a two bagger over Tostenon's head at first base. Baker punched out a single between the mound and the second baseman, driving in Coy. Jellison singled to short centre field, scoring Baker. Chaubin, though, wisely timing, retired Gunn and pinch-hitter Goodwin.

Costly Pitch
Bob Murphy, ex-Vancouver College athlete and headed for Holy Cross, was in the box over the seventh, and struck out the opposing chucker. The crisis of the game was reached at this point. Doyle walked, and moved to third on Blacklock's double to left field, along the third base line, which, coming from a left-hander, fooled everyone. Murphy heaved one of his pitches wild at the next batter, Kaines, and Doyle brought in what turned out to be the deciding run, and Murphy was charged with the loss.

In the thrilling last of the ninth, Murray singled with one out, Hicks drove a sizzler just out of the pitcher's reach, and Leier received a free trip, filling the bags. Tostenon and Leismaster popped out in order, ending the threat and the game.

Home run, Coy; three base hit, Gourlie; two base hit, Coy, Blacklock; runs batted in, Gourlie, Newton, Coy, Baker, Jellison; double play, Murray, Hicks to Tostenon, on balls, off Hammond, 5, Newton, Leier, Leismaster, Kilibiski, Chaubin; off Chaubin, Hammond; off Murphy, 3, Doyle, 2, Kaines; wild pitch, Murphy; struck out, by Hammond, 2; by Chaubin, 8 in 6 innings; off Murphy, 7 in 3 innings; losing pitcher, Murphy. Time of game, 2 hours, 45 minutes. Umpire, E. Witt, base umpire, G. Gordon.

BOXLA TEAM IS ROUNDING INTO SHAPE

With the first lacrosse game just around the corner, the intermediate team is fast rounding into shape. According to latest reports, Coach Mac Berard had not been able to decide his line-up for the exhibition game against Vernon on the Gyo Sports Day, May 24.

The team will be made up of many fine young boxla players, and will be chosen from the following: H. Capozzi, J. Whillits, E. Blanco, L. Ramponi, Bud Gourlie, S. Munson, T. O'Brien, E. Curran, P. Maudrell, K. Berard, G. Berard, S. Martin, A. MacFarlane and F. Mills.

MORE SWIMMERS TAKE TO WATER

With the temperature reported at 60 degrees at the Aquatic, many swimmers were taking advantage of the sunny days and warmer water last week.

Several boat enthusiasts were also noticed cruising around the lake in their power boats and many took advantage of the fine sailing breeze

Campbell Loans

are Life Insured ... \$20 to \$1000

INSURED LOANS
Here's the better, safer way to get ready cash. For your protection, Campbell Loans include Life Insurance to cover the unpaid loan balance. In case of death your family is insured for the amount of the loan. The complete balance is automatically paid off by the insurance company. Campbell Finance Corporation is the only loan company to provide this valuable protection. There is NO EXTRA COST for this outstanding feature.

REDUCED RATES
Campbell loan costs are now at the lowest level in our history. Only a few examples are given here, of how practical it is to borrow at Campbell Finance. For details on any amount from \$20 to \$1000, phone or visit our nearest office. Remember, Life Insurance protection is included in all quotations. 2 it costs you nothing extra. Private interview rooms are always available to allow the greatest freedom for discussion.

LONGER TERMS		A LOAN PLAN	
For your greater convenience, Campbell Finance allows repayment terms up to 20 and 24 months. On loans \$300 and up 20 months are allowed, and 24 months for loans \$501 and up. This means that you can repay your loan in nominal monthly amounts on a soundly planned basis. With the high level of rates and increased cost of living, longer Campbell terms are most helpful in debt reduction. From our many repayment plans a qualified Campbell expert can select the one that suits the right one to fit your special needs.		Campbell Finance provides a wider choice for borrowers with four different types of loans. Married couples can borrow money quickly without endorsers. Loans on your signature only (up to \$100) are fast and simple to get. Also loans on various common types of security require no endorsement. From out four kinds of loans you can easily select a plan that will fill every requirement. Of all the people in Canada who borrow from licensed lenders, 1 out of every 4 uses Campbell Finance—specialists in personal loans for over 18 years.	
2 Months	6 Months	12 Months	15 Months
\$ 20	\$ 10.26	\$ 3.54	
50	25.66	8.85	\$ 4.66
100	51.32	17.70	9.31
200	102.63	35.40	18.62
300	153.95	53.11	27.93
400		68.70	36.58
500		106.00	55.65
600		131.80	69.10
700		174.50	91.35
800			74.40
900			67.20
1000			48.40

Above are only a few examples of the many amounts to choose from. Campbell Finance will repay loans completely, including Life Insurance. Any loan costs less if paid faster than planned. All figures reflect Campbell's rate reductions. Rates on loans \$500 or less considerably below legal maximum.

VERNON LEGION TAKES LEAD IN CRICKET MATCH

Behind with five runs, Kelowna's Cricket Club team lost the opening game of the Spencer Cup competition against the Vernon Legion, at Vernon, Sunday, May 19.

Kelowna made a poor showing in the first innings, and though they outscored Vernon in the second innings, the deficit was just too much to overcome.

Kelowna, winning the toss and batting first, could garner only 35 runs in their first innings, only H. Johnson hitting over the 10 mark, and with 15, Vernon, on the other hand, scored 59; S. Nelson with 24 and Vic Richards, 16.

The locals came back fighting in the second to score 100. Captain Steve Temple and Mike Painter were not at riveter's tongs, in scoring 88 between them, 51 runs by the fleet eagle-eyed captain.

When the innings closed at 106 for two wickets, Vernon had 83 runs to make in one hour and twenty-five minutes. They did that, and made five more for good measure.

The Teams

Kelowna: S. Temple, M. Painter, W. Green, H. Johnson, N. Taylor, J. Kilton, Sr., F. Walker, E. Matthews, B. Wall, J. Kilton, Jr., D. Leckie.

Vernon: S. Chambers, W. Bennett, S. Nelson, J. Kidston, V. Richards, P. Clerk, M. Dunkley, D. Harwood, C. Dunkley, B. Halko, C. Sharp.

Kelowna will tackle Vernon's other team, the Farmers, at Vernon, this coming Sunday, May 26.

CARR-HILTON WINS TRENCH GOLF TROPHY

Several Members of Kelowna Club to Play in Pentiction Tournament Sunday

Youthful Bill Carr-Hilton, Kelowna, captured the Trench Trophy in the 36-hole open handicap, feature event of the "Kelowna Day" golf tourney held last Sunday, May 19, nosing out S. McGladdery, Oyma, who placed second.

Two Vernon golfers, W. Hogan and C. Watson, finished first and second for the McEwan Cup, the prize for the 36-hole open event, interior of B.C.

Kelowna's C. Owen ran off with the Jones Cup, 36-holes open, B.C. 50 years and over, easily winning over runner-up T. Clarke, Kamloops.

Vernon Winners

The Barton Cup, for 18-hole medal play handicap, interior of B.C., went to J. N. MacFarlane, G. Wheelhouse, Vernon, ended in second position.

Many golfers from all over the Valley participated and prizes were also awarded for the best 18-holes gross and the best 18-holes net. L. O'Keefe, Vernon, won the former, and Dr. C. D. Newby, of Kelowna, the latter.

Several members of the local club are planning on going to Pentiction this Sunday, May 26, to take part in the Horn-Latta Cup competitions.

FOURTH BALL FRAME COSTLY FOR RUTLAND

Summerland Defeats Rutland 7-1—Score All Runs in 4th Inning

RUTLAND — Rutland took the short end of a 7-1 score in their game at Summerland on Sunday afternoon, May 19th. One disastrous inning told the tale, the southern nine garnered all their tallies in the last of the 4th, when two walks, four errors and three hits, one a triple by the veteran Les Gould, plus a wild pitch and several bad throws, saw the Summerland boys romp around the bases to clinch the game. Rutland threatened to score repeatedly, but failed to get the hits in the pinches. Their lone run came in the 8th, when Bach drew a walk, stole second, and scored when White fumbled a drive from Andy Kilsch's bat. In the final inning, Rutland got men on second and third, with one out, only to see Bullock, Reiger and Bach strike out in succession.

Bach went the whole route on the mound for the losers, striking out and allowing eight hits. Les Gould went the first five innings, fanning three and allowing only three hits, then he retired in favor of Walsh, a youngster, who went two innings, during which he struck out three and held Rutland hitless. Strachan went in for the last inning and a half, and though wild, succeeded in whiffing four batters, three in a row in the last frame.

Score by Innings
Rutland 0 0 0 0 0 0 1 0—1
Summerland 0 0 0 7 0 0 0 0—7
Batteries: Bach and Koga; Gould, Walsh, Strachan and McCargar.

Games played last week in the Central Okanagan League resulted as follows:
Tuesday, May 14—Rutland Redcaps 10, Rutland Bluecaps, 5. Winfield 6, Oyma 2, at Oyma.

Thursday, May 16—Redcaps 6, Winfield 5, at Winfield. Oyma 17, Bluecaps 17, at Rutland.

League Standing
Won Lost Pctg.
Redcaps 2 0 1000
Winfield 1 1 500
Oyma 0 1 000
Bluecaps 0 1 000

The tied game will be replayed if it affects the final standing.

27. Relay, 300 yards, girls 16 and under: Vernon, B. Harris, E. Wilson, A. Husband, E. Kubisch; Kelowna, A. Minette, S. West, C. Scantland, M. Miller; Westbank, 39 1/5 sec.

28. Broad jump, girls 12 and under: B. Powers, S.O.U.R. Oliver; J. McKee, Pentiction; M. Hine, Vernon, 12 feet, 4 1/2 inches.

29. 50 yards, boys 12 and under: D. Jeffrey, Pentiction; P. Fisher, Vernon; F. Fairweather, S.O.U.R. Oliver, 6 4/5 sec.

30. High jump, boys 20 and under: D. Douglas, Vernon; W. Marshall, Pentiction; G. Ferguson, Kelowna, 5 feet, 3 1/2 inches.

31. 100 yards, boys 20 and under: P. Clerke, Vernon; A. Boanco, Salmon Arm; R. Huntley, S.O.U.R. Oliver, 10 3/5 sec.

32. 100 yards, girls 20 and under: J. Husband, Vernon; Salmon Arm; V. Whittingham, Kelowna, 11 3/5 sec.

33. Broad jump, boys 16 and under: W. Yakimovitch, Vernon; J. Dunham, Summerland; T. McCarthy, Kelowna, 18 feet, 2 1/4 inches.

34. Discus throw, boys 20 and under: P. Clerke, Vernon; A. Boanco, Salmon Arm; G. Wade, Kelowna, 95 feet, 10 inches.

35. 440 yards, boys 20 and under: P. Clerke, Vernon; S.O.U.R. Oliver; L. Gray, Kelowna, 55 2/5 sec.

36. 100 yards, boys 18 and under: A. MacDonnell, Vernon; H. Knipfelberg, Summerland; C. Gray, Kelowna, 10 4/5 sec.

37. 75 yards, boys 14 and under: C. Miller, Pentiction; V. Kazimierz, Kelowna; H. Kohler, S.O.U.R. Oliver, 8 4/5 sec.

GARDNER AGAIN ELECTED HEAD OF TENNIS CLUB

H. G. M. Gardner was re-elected president of the Kelowna Lawn Tennis Club at its annual meeting, Wednesday night, May 15. Ernie Winter and T. Tyler were elected as vice-president and secretary, respectively.

The new executive committee consists of Leo Hayes, Bus Taggart, F. Pridham, Misses S. Sutton and L. Kennedy, Mrs. Helen Van Der Vliet, Mrs. K. Brunette, S. Davis and A. Sutton.

In presenting his annual report, Mr. Gardner paid tribute to the late Dr. B. F. Boyce, who had contributed much material and moral support to the success of the club. The present property was a generous gift of Dr. Boyce. "We will always remember Dr. Boyce as a benefactor and a keen supporter of lawn tennis," he remarked.

The outbreak of the Second World War made the going extremely difficult, but with the cessation of hostilities, many service men, all enthusiastic tennis players, have swelled the membership, and a successful season, perhaps the best in the long history of the club, is on the way.

Greatest difficulty at the moment, Mr. Gardner said, is the threatened expropriation of the club property.

By the School Board, to fit in with the school expansion plan. Both parties, up until now, have failed to agree on a price, but negotiations are still in progress, and the club is hopeful that a satisfactory solution will be found.

Financial Position

The uncertainty of the tenable position naturally demands that on the barest repairs to the courts and club house be given attention, and these have been made, he reported.

Economically, the club was in fair shape, according to the financial statement for the past season. With the anticipated increase in membership, no great financial troubles are expected.

No decision was reached on the formation of league play or tournaments, but the committee will be meeting shortly for this purpose.

WORK STOPPAGE In Lumber Industry

Means:

NO LUMBER... NO FRUIT BOXES CROP WASTED... HOUSING STOPPED

THE CAUSE—Box factories and sawmills throughout the interior are closed by strike action to enforce Union demands for a:

- (1) Twenty-five cents per hour increase,
- (2) Forty-hour week,
- (3) The Union Shop, and
- (4) The Check-off (payment direct from employer to union) of Union dues.

Because the granting of demands (1) and (2) would obviously increase the cost of lumber and boxes, employers have declined to grant them although indicating a willingness at all times to negotiate on the wage question where increases could be shown to be justified. Employers do not believe building requirements or growers' needs can be met by working a forty-hour week.

The employers have declined to accede to demands (3) and (4). They do not believe that anyone's right to work should be conditional on Union membership, and they do not feel that they should accept the role of dues collector for the Union.

THE EFFECT—Lumber is urgently required throughout Canada, for housing (especially for Veterans), public works and various industrial purposes. These needs have been making heavy demands on Interior lumber production, and all are brought to a standstill by the current strike.

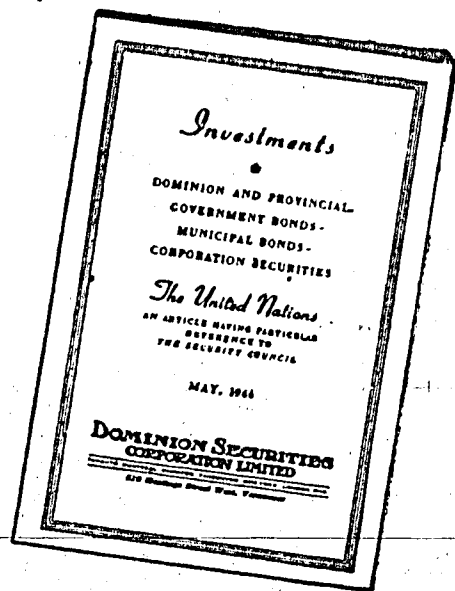

The record crop of 1944 required over eight million Apple Boxes alone, plus peach, cherry, apricot and other containers. This called for the conversion of over forty-eight million feet of lumber.

The 1946 crop is expected to be considerably greater, estimated to require not less than fifty million feet. With no interruption in production the box plants would have had to exert every effort to convert this larger quantity of lumber into box shooks. The present shutdown means the loss of ONE HUNDRED THOUSAND CONTAINERS EVERY DAY, with no possible hope of over-taking the deficiency. Without these containers precious food will be wasted... needed income lost... the year's labors, and a bumper crop ruined!

THE REMEDY—Both Federal and Provincial Ministers of Labor declared the present strike illegal. Obviously it is also flagrantly opposed to every interest in every community except a small group who have been led into a strike which has among its leaders some of the top-ranking Communists in the Province. To prevent further irreparable loss and damage, it is recommended that those who believe in law and order and the following of democratic processes, bring pressure to bear on their members of Parliament, both Federal and Provincial to have enforced the provisions of Order in Council 1003 (the Federal Labor Code) to force the calling off of this strike, and the adoption of conciliation and arbitration.

The interest of the majority and the welfare of the community must take precedence over any program, regardless of its inspiration, which has for its sole purpose the aggrandizement of a minority who have no regard whatever for the consequences.

CITY BUSINESS WOMEN ATTEND U.S. PARLEY

Business and Professional Women Hold Conference at Wenatchee

Miss Rose Tilling, president of the Kelowna Business and Professional Women's Club, accompanied by Mrs. J. H. Trenwith, Miss Mona Bent and Mrs. D. Sylvia Sutton, attended the first post-war convention of the Washington State Federation of the Business and Professional Women's Club, now twenty-five years old, which was held in Wenatchee during the week-end. Of the 350 women attending, Vancouver sent six delegates, Vernon four and Kelowna two.

An outstanding speaker was Mrs. Gertrude Austin, lawyer of Austin, California, who told her audience how to join the political party of their choice. In this way, banded together, women will soon be replacing men in some of the vacancies. "The future is not in the hands of fate, but in ours," concluded the gifted speaker.

Canadians Welcomed

Another highlight of the convention was the address given by Mr. Anderson, a lawyer from Cashmere, Wash., who was present at the testing of the atomic bomb in New Mexico and whose talk was almost as dynamic.

Three hundred guests attended the banquet which climaxed a convention stimulated by enthusiasm and common sense plans for the future. The three Canadian parties were given a warm welcome by their American sisters, and Miss Hilda Cryderman, of Vernon, spoke on behalf of the Canadian group.

Mrs. F. V. Harrison, Mrs. I. Barnes, Mrs. H. A. Solly, Mrs. N. Solly, Mrs. K. Sanborn, Mrs. Earle Wilson and Miss Dugdale, all of Summerland, were visitors in Kelowna last week attending the annual meeting of the Kootenay Diocesan W.A.

NEWS OF INTEREST to WOMEN

HITHER AND YON

Mrs. and Mrs. R. P. Hughes left on Wednesday by car for Vancouver, where they will spend the next few weeks.

Mrs. W. E. Spiller and her son, Allan, were recent Penticton visitors.

Mrs. Gladys Webster was a visitor in Summerland during the past week, the guest of Mr. and Mrs. T. J. Garnett.

Mrs. A. J. Pritchard and her daughter, Miss Joan Pritchard, have returned from a holiday spent in Montreal.

Mrs. R. B. Hughes, of Penticton, was a visitor in Kelowna for several days last week.

Mr. and Mrs. Jack Brumskell, of Vernon, were visitors in Kelowna last week while on their honeymoon.

Mrs. A. Young, has returned to Kelowna from Sicamous, where she was the guest of her daughter, Mrs. Alvin Woods.

Mr. and Mrs. E. N. Peel, of Enderby, were visitors in Kelowna for several days during the past week.

Mr. and Mrs. W. Lansdowne were visitors in Deep Creek recently.

Mr. and Mrs. C. R. Rowell have returned from Little River, where they had been fishing for the past two weeks.

Mr. and Mrs. T. O. Jones, of Deep Creek, were recent visitors in Kelowna.

Mr. and Mrs. Roy Longley have returned to Kelowna from Little River, where they spent two weeks fishing.

Mrs. Franklin, Sr., left on Wednesday evening, May 15, for Alexandria, Minnesota, where she will spend a holiday.

Miss Frances Heron is spending a few days visiting in the Kootenays.

Miss Helen Armstrong, of Winnipeg, spent a few days visiting in Kelowna this week and left on Monday evening for her home.

Mr. and Mrs. John W. Fisher, of Toronto, spent a few days visiting friends in Kelowna this week while en route to Vancouver Island.

Miss Marion Williamson, of Toronto, spent a few days visiting in Kelowna during the week and left on Tuesday evening for Victoria and Seattle, where she will spend the next few weeks visiting relatives and friends.

Mrs. I. M. Parkinson returned at the week-end from Penticton, where she was the guest of her sister, Mrs. R. B. White, for the past ten days.

Mr. and Mrs. John Chambers and their two children, Wendy and Paul, have arrived in Kelowna from Vancouver and will reside here.

Mrs. Kenneth MacLaren returned to Kelowna last week after spending the past few months' visiting in Vancouver and Victoria.

Mrs. F. Mohart and her daughter, Gail, arrived in Kelowna recently from Vernon to reside here. Mr. Mohart received his discharge from the Army in March and has resumed work at his pre-enlistment position with the Kelowna Irrigation Company.

Local Woman Elected President Of Hospital Women's Auxiliary; Plans Made For Annual Parley

Mrs. J. F. Hampson, president of the Kelowna Hospital Women's Auxiliary, was elected president of the newly formed regional council of the Hospital Women's Auxiliary of the Okanagan Valley, last Thursday afternoon at the inaugural meeting of the organization.

This council will be affiliated with the Women's Hospital Aid Association of B.C. and will be represented this year at the annual meeting held at the Coast later in the summer by Mrs. L. A. C. Panton, who was the unanimous choice of Thursday's meeting.

Mrs. Hampson, who acted as chairman of the meeting, which was held at the home of Mrs. D. M. Black, Pender Street, in her address of welcome to the delegates from other valley points, stressed the need for the auxiliary to gain by a discussion twice yearly of mutual problems and the exchange of ideas in regard to ways and means of raising funds for the extensive work done by the auxiliaries.

Mrs. W. T. Panton, of Enderby, acted as secretary of the meeting during the afternoon.

In lieu of Mrs. Panton being unable to attend the B.C. conference, the Kelowna Auxiliary will have the power to appoint another delegate.

Other Officers
Mrs. Hampson will have as her committee for the coming year, Mrs.

J. Logie, as vice-president, who is the president of the Kelowna Junior Hospital Auxiliary, and Mrs. A. C. Loosmore, of Kelowna, who will act as secretary to Mrs. Hampson.

Discussion took place regarding a central meeting place for the bi-monthly meetings of the newly formed group, and the feeling was that in order to keep up the attendance, Kelowna was the best choice. This matter will be decided at the next meeting, which will be held soon after the B.C. conference.

Delegates from various points discussed the overcrowding of hospitals, the shortage of nurses and hospital assistants, as well as the desperate need for Old Peoples' Homes and Convalescent Homes throughout the Valley. The last two matters will be taken up at once with local M.L.A.'s and the Ministry of Health.

Mrs. F. E. Atkinson, president of the Summerland Auxiliary, gave a brief resume of the work done by her organization during the year. This auxiliary does all the canning for the hospital as well as the sewing, and all the other many essential jobs undertaken by such groups.

Following the business meeting, tea was served by the hostesses, assisted by Mrs. Chester Owen and Mrs. R. A. Fraser, Mrs. H. W. Arbuckle and Mrs. L. A. C. Panton presided at the tea table and members of the Auxiliary acted as servers.

Delegates who were present for

Around The Town With Audrey

PANAMAS—CAPTIVATING

Saucily tailored... color spiced with ribbons... the classic-way to keep a cool head in the heat... fashion-way to freshen a suit or sports frock... in fact one of the best bets in summer headwear... now being displayed here.

GROOM YOUR LEGS

Forget those long tiresome hosey lines... and bring out your legs for a summer-free of stockings and their care... solve the whole troublesome problem by using one of the numerous leg make up preparations... they come in various shades... some dark, some light... and the resemblance to sheer hose is something... Kelowna druggists have a well rounded stock of these preparations...

THE BARE MIDRIF

This is still THE THING in your playclothes... cool for basking and hiking... you can have a variety of these at little cost if you wish... one pair of slacks and shorts, and a dozen tops, and you are set for the summer months...

VEGETABLE DIET

Let's go on one for awhile... the displays of garden fresh new potatoes... which incidentally are cheaper already... tender carrots... green peas... local home grown green onions and radishes... asparagus... lettuce, spinach, cucumbers and cabbage... all add up to delicious salads for these warm days upon us...

NYLON SWEATERS

Haven't seen them in Kelowna stores to date... but according to statistics they are lustrous... soft as Angora... cool as silk... and DO NOT stretch or shrink... and the price is definitely not outrageous as first expected...

HAYFEVER

With all the blossoms and flowers around... is that old complaint acting up again? There is a hayfever preventative... mind you it is expensive... but is guaranteed to do the trick... and when you can consider that angle it is worth every cent of the money... one of the local drug stores is featuring this product this week...

PLAYTIME FOR THE KIDS

A shipment of sun dresses... wearable as a swim suit also... is here... with latest bands... gay prints... and in this shipment was a generous number of well tailored shorts for your young daughter... pleated or plain... in a good heavy material...

COCONUTS AND STRAWBERRIES

If you like them you can have them for the asking... it's a nice change to see this tropical fruit here... See by the Coast papers where they have imported berries there now... it is to be expected that they will be heading for Kelowna probably within the week... if you get hives prepare yourself personally it is worth the nuisance to eat those delectable, rosy berries...

HAVE YOU SEEN?

The lampshades, gayly ornamented with Mexican scenes... grand for summer porches or the rumpus room... again? The useful swizzle spoons... made of the cold lemonade or homemade soda... and they are cheap... The sets of condiment dishes... gayly patterned... fine for outdoor meals... The three brand new shades of nail polish... "Dark and Handsome"... "Black Red"... "Young Red"... one for every taste... The dainty Swiss dot dresses for the little miss... in pastel shades and white... they really are lovely... The large assortment of ankle socks... all colors, all sizes... one of the largest shipments for a long long time... The sale of a well known brand of cosmetics which offer a twenty per cent reduction this week... take advantage of it for sure...

THE UNEXPECTED

Not many readers of Raymond Chandler's tough American murder mysteries know that the author is English. All of his stories, including Paramount's "The Blue Dahlia," have a Los Angeles-Hollywood locale.

WORKING HOLIDAY

To make an appearance as a Gesto agent in Paramount's "OSS," starring Alan Ladd and Geraldine Fitzgerald, Harold Vermylyea, Broadway actor, took a four-weeks' leave of absence from the hit play, "Deep Are the Roots."

The meeting included: Mrs. G. Mould and Mrs. E. Elliott, Salmon Arm; Mrs. E. N. Peel and Mrs. W. T. Panton, Enderby; Mrs. B. F. Young and Mrs. Pellett, of Armstrong; Mrs. L. A. C. Panton and Mrs. Courcier, of Vernon; Mrs. H. Davis and Mrs. L. Travis, of Penticton; Mrs. F. E. Atkinson and Mrs. R. Fitzpatrick, of Summerland; Mrs. J. Logie and Mrs. C. Brunette, Kelowna Junior Hospital Auxiliary, and Mrs. L. A. C. Panton and Mrs. J. F. Hampson represented the Kelowna Hospital Auxiliary.

Mr. and Mrs. Martin Wesley, of Toronto, spent the week-end in Kelowna visiting friends and left on Tuesday evening for their home.

Mr. and Mrs. James Purvis returned on Saturday from a three week business trip spent in the East.

Brides

COPELAND—ALDRED

A wedding of Valley interest took place on Thursday afternoon, May 16, at St. Michael and All Angels' Church, Kelowna, when Ven. Archdeacon D. S. Catepole united in marriage Mrs. E. A. Aldred, widow of the late F. H. Aldred, and R. A. Copeland, of Kelowna.

The bride was given in marriage by her son, J. H. Aldred.

This ceremony is of special interest as the bride is seventy-five years of age and her groom is eighty-two. Mrs. Copeland has lived in and around Oyanama since 1910 and Mr. Copeland is well known in the Lumby district as well as Kelowna, having farmed there for a good many years. He was at one time president of the United Farmers of British Columbia.

Following the ceremony a reception was held at the Willow Lodge for the immediate relatives of the bride.

Mr. and Mrs. Copeland will reside in Kelowna.

George Handlen left on Monday evening for Vancouver, where he will enter Shaughnessy Hospital for treatment.

R. T. Hopkins, of Calgary, spent the week-end in Kelowna visiting friends, and returned to his home on Tuesday evening.

George Handlen, G. Davies and C. J. McKinnon returned on Sunday from Little River, where they spent ten days fishing.

R. F. Parkinson returned to Kelowna on Tuesday from Vancouver, where he received his discharge from the Army.

Rev. M. W. Lees returned to Kelowna this week from Vancouver, where he spent ten days attending the B.C. United Church conference.

J. Carson, of Penticton, was a visitor in Kelowna for a few days last week.

J. Blake, of Victoria, was a guest of the Royal Anne Hotel for a few days during the past week.

G. L. Ayre, of Calgary, is visiting in Kelowna and is registered at the Willow Lodge.

Chas. McGillivray, of Vancouver, was a business visitor in Kelowna during the past week, a guest of the Royal Anne Hotel.

H. W. Kelland, of Montreal, spent a few days in Kelowna on business during the past week.

Austin Taylor, of Vancouver, was a business visitor in Kelowna for a few days last week and while in town was a guest of the Royal Anne Hotel.

John Keisler, of Trail, spent several days in Kelowna during the week.

Jack Conway left on Saturday for Haney after spending the past two weeks in Kelowna visiting his parents, Mr. and Mrs. J. R. Conway, Richter Street.

MISS LUCIE MESNARD

MRS. S. C. TWEED

Contribution Of Women During War Lauded By Liberal Speaker

Maintains That Development of Canada Built Up Largely Through Liberalism

Speaking to a representative meeting of Kelowna and district women on Tuesday afternoon, May 16, at the Women's Institute Hall, Mrs. S. C. Tweed, Assistant National Director of the National Liberal Federation of Canada, said that "the great mistake of the Liberals in Canada during the past six years is that we have not told our story to the people."

"We have in Canada today the finest land on earth and our great development for the last half century has been built up largely through Liberalism," stated Mrs. Tweed. "We are not tools of the State, but under Liberalism with better social laws, better education, all opportunities, better labor conditions and better agricultural opportunities, all men and women will be given a chance to make their own way in freedom."

Mrs. Tweed was accompanied by Miss Lucie Mesnard, also of Ottawa, on her six weeks' tour of the west. They are investigating the economic position of women in Canada and will report their findings when they return to the capital. The two women will form groups to study social, economic, financial and political questions. To non-political organizations, Mrs. Tweed and her assistant will stress the responsibility of women in Canadian life and in the affairs of the country.

Great Contribution

Speaking for Miss Mesnard as well, Mrs. Tweed told reporters that "we are both happy to be making this trip and we feel that we can do a great deal of good. Women of Canada have made tremendous contributions during war years and we wish to make certain that this

is not forgotten. Their participation must be continued now that the crisis is passed and Canada's future plans are carried out."

Mrs. A. P. Pettypiece acted as chairman of the meeting and following Mrs. Tweed's address tea was served by the local Liberal ladies.

The regular monthly meeting of the Kelowna Hospital Women's Auxiliary will be held on Monday afternoon, May 27, at 3 p.m., in the Board of Trade Room. Members are asked to attend.

The regular meeting of the Ladies Aquatic Auxiliary will be held on Tuesday evening, May 28, at 8 p.m., in the Aquatic Lounge. All members and those interested are asked to attend.

ANGLICAN WOMEN END CONFERENCE

Kootenay Diocesan W.A. concluded a three day gathering in Kelowna on Thursday, May 16, with a record attendance of ninety-five delegates from both Kootenay and Okanagan dioceses. Sessions were held in St. Michael's Parish Hall, St. Michael's Guild and St. Michael's Evening branch of the W. A. served lunch and parish homes provided hospitality.

During the sessions, Mrs. H. A. Solly, Summerland, Diocesan President, Kootenay W.A., was made a Dominion life member of the W.A. Later, Mrs. Solly received a brief case and cheque, while appreciation of her splendid work was voiced.

Sessions on Thursday covered final reports, voting of funds, plans for a girls' camp, resolutions and votes of thanks. Concluding prayer and the National Anthem closed the gathering.

City Council on Monday night formally approved the granting of a lease from the Aquatic Club to George D. Innis, for operating a boat service at the Aquatic Club during the summer months.

On display in Kelowna this week is the exhibition of paintings by Okanagan artists, which has been travelling throughout the western provinces. These paintings are displayed at the English Woolen Shop and the Union Library for the balance of the week.

RUTLAND

Rutland's entries in the Central Okanagan (twilight) Baseball League were and lost on Tuesday evening. The "Redcaps" lost to Oyama at the latter's diamond, 8 runs to 7, after leading all the way up to the last inning. Mr. Koga was the pitcher for Paul Bach's team, and showed up to good advantage by striking out 11 batters. In spite of their defeat, the Redcaps still head the league as the "Bluecaps" defeated Winfield at Rutland the same night by 3 runs to 1. The game was a pitchers battle between Ligor and Murphy, each pitcher striking out ten. The Rutland batters touched Murphy for more hits, however, to give them the edge. As a result of Tuesday's games, Winfield dropped into last place, and Oyama and Andy Kitch's "Bluecaps" share the middle spot. The two local teams tangled on the local diamond Thursday night.

Harold Zimmerman, a former Rutland resident who has been attending U.I.C. during the past year, is in the district for the summer holidays and will work for McLean & Fitzpatrick Ltd.

Mr. and Mrs. J. Alexander returned from a motor trip to Climax, Sask., the return trip being made via Spokane and other U.S. points.

J. Cassidy is a visitor to the district from Alberta. He is staying at the home of his sister, Mrs. D. McNeil. He recently received his discharge from the Canadian Army.

The home of Mrs. R. E. White was the scene of a well attended shower Friday evening, May 17, in honor of Mrs. George White, Jr., a recently arrived bride, who came here from Scotland to join her husband. Little Nadine White drew the presents into the room on a prettily decorated wagon, and in honor of the guest, the ladies present sang Scottish airs. Dainty refreshments were served at the close of the affair by the hostess.

Word was received by the B.M. I.D. trustees at their meeting last week that the high flume on the Hilda Creek diversion had gone out. As the Belgo dam already has over 20 feet of water in it, the loss of the Hilda Creek supply this season will not be felt. Repairs will be made in the summer. Concreting of the new low level ditch has been completed.

The 33rd annual summer school of education will open in Victoria on July 2 and last until August 2, it was announced by the Hon. Dr. G. M. Weir, Minister of Education. Some 550 British Columbia teachers are expected to attend. Six visiting lecturers will offer courses.

Rehabilitation Committee Doing Fine Job, Says Mayor Pettigrew

Council Impressed by Report Received from Secretary Covering Work Done

More About 2 HARVEST OF OKANAGAN

From Page 1, Column 8

The Kelowna and District War Veterans' Rehabilitation Committee has done a fine job. This was the general consensus of opinion at the City Council meeting held last Monday night, following the secretary's report for the year ending April 25, 1946.

Following are some of the highlights of Mr. Gardner's report as presented to Council:

1. All local veterans of World War II are circled and invited to register with the office.

2. Total registration to date numbers 94.

3. Veterans from all over Canada who wish to settle here contact the rehabilitation office, either by mail or more often by personal call.

4. Since the formation of the committee in December, 1944, less than 1,100 veterans have been contacted personally or by mail. This would mean that about 260 non-local veterans have called at the office.

5. In the past year, the secretary has had about 1,800 interviews with veterans. He has written over 1,200 letters for or about them, and sent many telegrams.

In conclusion, Mr. Gardner pointed out the functions of the committee are to explain to veterans how best they can take advantage of the government's rehabilitation legislation; to direct them to the correct government departments; to draw to the attention of the authorities any errors or omissions detrimental to veterans, in pay, gratuities, grants, treatment, pensions, training, etc.; to forward applications by veterans for benefits, treatment, training, use of rehabilitation credit, etc.

Advice is sought by veterans as to business, medical, employment, housing accommodation, and also domestic and personal problems.

Mr. Gardner reported little slackening in the volume of veterans' inquiries. One hundred and six were discharged last month, and the office records show that there were 233 interviews and 114 letters written.

Commenting on the report, Mayor James Pettigrew said the rehabilitation committee was doing good work and reminded the aldermen the city last year made a \$500 grant to help defray expenses. He said that while the city did not have to pay the grant immediately, he asked the aldermen to keep the secretary's report in mind when the grant is discussed.

Already newspapers on the Pacific Coast are starting to feel the shortage of newspaper. The Vancouver Province and the Sun have already started to publish a smaller edition, while newspapers on the west coast of the United States have taken similar action. Most of the newspapers in western Canada and the west end on depend on newspaper from British Columbia.

Locally, the strikers have been meeting daily in their committee rooms on Bernard Avenue, and have held several quiet parades.

The Simpson Company has notified packing houses that they should take delivery of available stocks of box stock now on hand. Some packing houses are taking advantage of the offer and picking up their orders. The stock that is not picked up locally, the company states, will be shipped to other areas where there is a shortage.

GLENMORE

The midget softball team of the Glenmore Club has played two outside games, losing both by a small margin. The seniors have played two of their league games, and are hoping for better results.

A good turn-out of teenagers enjoyed the dance on Friday night. Music was supplied by the Misses Jean Neill and Monica Giesinger.

A group of those interested in the club's dramatic work attended the U.B.C. Players presentation on Wednesday evening, meeting for discussion afterward at the home of Mr. and Mrs. Chas. Henderson.

A meeting of the Community Hall directors was held at the home of Wally Bennett to make arrangements for the Club's general meeting to be held on Thursday, May 23, in the school, and for the final party of the season on May 31st.

The Royal Commission inquiring into provincial-municipal relations will hold its final hearings in Victoria on May 21 and 22. The Union of B.C. Municipalities will be among those presenting final briefs.

It will be several months before Mr. Goldenberg can return to the Coast to complete his work in the preparation of his report to the government.

MAY OPEN HOPE ROAD IN 1947

Progress on the construction of the Hope-Princeton Highway, which forms part of the Southern trans-provincial highway, has been so satisfactory to date that it is expected

it will be ready for travel next year, the Hon. E. C. Carson, Minister of Public Works, announced.

In connection with the Peace River outlet, however, Mr. Carson reported that unusually heavy snows had delayed construction through the Peace Pass to the Peace River district, but work is being pushed forward and maintained on schedule.
